Walking On Malta (Cicerone Walking Guides)

Synopsis

This guidebook describes 33 half- and full day walks on the islands of Malta, Gozo and Comino. Basking in the Mediterranean sunshine between Sicily and Africa, the islands have a colourful and complex history from the Neolithic and the Medieval to the present day. The routes range from 2.5-30km, beginning with a short heritage trail around the city of Valletta. Then follows a series of walks around the coastline of Malta, with a final few moving inland to explore the island's interior, before a description of the Heritage Trail around Mdina and Rabat. Malta may be known as a tourist destination but it also offer plenty of historic walks, stunningly beautiful and dramatic architecture and excellent scenery, especially around the cliffs and coastlines. Walks on Gozo start with a heritage trail around Victoria, followed by a clockwise exploration of spectacular coastal walking that allows a complete circuit of the island. The final walk on Gozo wanders over a series of little hills further inland, while the last walk in the book might be the best of them all: a circuit around the lovely little island of Comino. The guidebook also gives details of accommodation, transport and tourist information.
