"It's a little-known fact that the information in here will make anyone look and sound better than they actually do"-David Baldacci "...this is a wonderfully entertaining read, slight enough to be digested in one sitting, clever enough to be entertaining even if you never make a single one of the cocktails."-World of Beer blog
"Tequila Mockingbird is a refreshing reminder that drinking is supposed to be fun, and it brings together the kind of cocktails you'll actually make into a book you'll

actually use."-DrinkSpirits.com"You've never seen so many literary inside jokes in your whole life, which makes this little cookbook my new favorite thing... The commentary is hilarious, to boot."-FoodRiot"Ingredient by ingredient I became a fan of the ersatz bartending guide for English majors, in which summaries of classic novels and their corresponding recipes are garnished with groan-worthy puns and sepia-toned illustrations. I toast to that!"-Palm Beach Post"Pun-tastic cocktail delights . . . peruse it to find your book club's next read (and cocktail)."-Epicurious.com

Very clever, funny book. The perfect gift for an English major or book lover! Haven't actually tried the drink recipes in it, but the descriptions and titles are clever enough it's enjoyable to flip through so whether or not you use it, it's a cute coffee table book!

Bought as a gift for my coworker who is an English teacher. If you know anything about English teachers, then you know they love literature and they love to drink.

I LOVE THIS BOOK!!! I can not say it enough this is just a delightful read even if you aren't a big drinker it's so easy to appreciate the novelty of it. Plus if you are a drinker some of these drinks are legit.

I bought this for a friend who is a professor and a mixed drink lover and she found it absolutely hilarious. Probably going to collect the whole set.

This is an enjoyable little book in so many ways. The recipes are interesting and the writing doesn't insult one's intelligence. I am debating on having it out at my next party. While it would be fun to mix everyone's favorite drink, I worry that it would disappear before the night is over. This is going to be in several people's Christmas stocking.

I got this as a gift for a friend. A fun book for a lover of literature, puns, and alcoholic drinks.

This book was a gift for my niece whom actually loves *To Kill A Mockingbird*. This was a great book

with the pun on her favorite book.

Fun little book. Bought it for a college graduation gift for a friend. They loved it!!!
