# Culture Shock! Venezuela (Culture Shock! A Survival Guide To Customs & Etiquette)

## Synopsis

Whether you travel for business, pleasure, or a combination of the two, the ever-popular "Culture Shock!" series belongs in your backpack or briefcase. Get the nuts-and-bolts information you need to survive and thrive wherever you go. "Culture Shock!" country guides are easy-to-read, accurate, and entertaining crash courses in local customs and etiquette. "Culture Shock!" practical guides offer the inside information you need whether you're a student, a parent, a globetrotter, or a working traveler. "Culture Shock!" at your Door guides equip you for daily life in some of the world's most cosmopolitan cities. And "Culture Shock!" Success Secrets guides offer relevant, practical information with the real-life insights and cultural know-how that can make the difference between business success and failure. Each "Culture Shock!" title is written by someone who's lived and worked in the country, and each book is packed with practical, accurate, and enjoyable information to help you find your way and feel at home.

Product Dimensions: 5.1 x 0.6 x 7.8 inches

Shipping Weight: 8 ounces

Average Customer Review: 3.3 out of 5 stars 4 customer reviews

Best Sellers Rank: #4,927,675 in Books (See Top 100 in Books) #62 in [Books > Travel > South America > Venezuela](#) #229 in [Books > History > Americas > South America > Venezuela](#) #1786 in [Books > Travel > South America > General](#)

## Customer Reviews

Culture Shock! Venezuela is an informative, enjoyable, well-written and extremely useful guide for anyone visiting Venezuela. Although I had already spent 9 months in Spain I needed to know about life in Venezuela and this book told me many things I needed to know. I impressed the Venezuelans I stayed with and their friends with the knowledge I picked up from this book and was warned about some of the downsides of the country. Overall a fine introduction to anyone visiting Venezuela.

I spent eight months teaching English in Caracas two years ago. I spent nearly as much time trying to find a guide to the country that would tell me what I needed to know as a foreigner. I picked up this book out of curiosity and perhaps out of snobbery... I had been there, so what could a mere book tell me? I was wrong. I learnt a lot and found myself smiling in agreement at some of the situations it described as I had been through them myself. While I could have done without the history section, the rest of it was right on the button. An excellent guide to a country that is very alien to a Northern European person like myself. Excellent.

If you are planning on visiting Venezuela or if you are just interested in finding out about the Venezuelan culture, I would recommend this book to you. It is a perfect account of what my experience was like. However, if you are a wild spirit and you wish to have an untainted experience of the country...then I would not recommend this book to you. Because it is so accurate, it might spoil the fun of your adventure. I enjoyed this book very much. It helped me to understand the people and why they are how they are.

Living in Venezuela, I waited long for a Culture Shock series book about it. After reading it and comparing some of the items with friends I have to conclude that this is the worst Culture Shock book I have read. Most items only tell part of the story and what they say is in a lot of cases incorrect. Also there is a whole section dedicated to travelling, if I wanted a travel guide I can buy a Lonely Planet guide or something similar. I would not recommend this book, experience Venezuela yourself until a good reference book on Venezuelan culture comes onto the market.
