# The Twelve-Step Workbook Of Overeaters Anonymous

## Synopsis

This companion to the basic text of Overeaters Anonymous asks thought-provoking questions and provides space in which to write out answers. By gently posing questions we might not have considered, this workbook helps us explore the subtle ways compulsive overeating has affected our life, relationships, and well-being.

## Customer Reviews

Great book; this is a must have for anyone working the OA program. Great way to delve into your issues with food, and begin to understand why you may be overeating. I highly recommend! I also would purchase as I did via used section - it appeared brand new.

I really like this workbook! Get this...NOT the study guide.

It's helpful in working with newcomers.

Wonderful study

great place to get started in look at, face up to an eating dis-ease.

wonderful

Great resource for members of OA, cool way to work the steps and use tool of writing all in one !

Really helped our group discussions
