Carley Roney is the co-founder and editor in chief of XO Group Inc. She lives with her family in Brooklyn, New York. With 3 million unique visitors per month, TheBump.com is the fastest-growing pregnancy and parenting website.

clear and bright pictures on my iPad. Clear instructions on techniques and on patterns. Patterns include: 1) Cabled Hand Warmers 2) Bobble stitch mittens [they look a little bulky] 3) Mosaic Wrist Warmers 4) Baby booties [they're actually really cute] 5) Seed Rib Boot Socks 6) Herringbone Rib Leg Warmers [I want these ones] 7) Lace Cuff Baby Leggings 8) Lace Cuff Ankle Socks 9) Little Zebra Leg Cozies 10) Twisted Rib Cadet Cap 11) Cable and eyelet Cap [Sloucher beanie] 12) Spiral top Beanie 13) Toddler's Mitered square beanie 14) Lacy headband 15) Eternity scarf with cables 16) Fair

Isle Ponchette17)Double-Sided rib scarf18)Dropped-Stitch cabled cowl19)Triangle Lace Shawl20)Kid's Capelet [super cute; my daughters both want one]21)Cozy Hooded Shrug22)Sparkly Vest23)Berry Stitch Purse [Really cute]24)Lacy iPad Sleeve25)Felted Zippy Baghope this is helpful. I normally like my knitting pattern books in actual book form but this one has good pictures with it; so it kind of makes up for it.

I have enjoyed this book more than I thought I would. I brought it to learn the brioche stitch. But I will also give some of the other designs a try too.

I bought this because it seemed like a good stepping stone from being a beginner. The reason the rating is so low is because the pictures are so small that I can't even tell what it is supposed to be showing. If I had seen that before I bought it, I wouldn't have.

I am such a fan of Vickie Howell, I love her show and she makes knitting so easy and fun. I plan on making everything in her book. Her instructions are easy to follow and her projects are useful. Recommend this book to anyone wanting to knit. It is great therapy.

If you're brand new to knitting, maybe not a bad book. I didn't see a lot in here that is very inspiring, but the kindle edition was \$2 so I'm not complaining. There's a pattern or 2 in here that I would consider adding to my to do list. Maybe.....

This book is okay for most knitters. I will probably try to do some things in it. I would have liked more beginner and easy projects in it since I am a new knitter and teaching myself how to knit. It has some nice patterns and I like that I could put it on my Kindle Fire to use on the go.

Love Vickie Howell and everything she does! This book is no different. Her style, patterns, and easy instruction make the book a real treat.

Vickie Howells books are great. There is something in there for everyone. Well worth a look at. Many items to make.
