# SUBMISSION: A Dark Bad Boy Baby Romance (The Marauders MC)

## Synopsis

SEX ISN'T ENOUGH & I NEED HER TOTAL SUBMISSION. I've got demons on my trail and skeletons in my closet. But they won't stop me from making her mine. I need her to submit everything to me: Her innocence. Her willingness. And her womb. I never thought I'd want to be a father. But the new girl at the bar is awakening things in me I never knew were there. She's running from her past, just like me. It's easy to recognize the hunger in her & I feel it, too. She's terrified of the wrong things, though. She thinks her criminal ex-boyfriend is going to come hurt her. But what she should be scared of is something much closer to me. I'm starving for a taste of her purity. I want her to give it to me & all of it. I want her on her knees, begging me for permission to move a single muscle. I get what I want, of course. I always do. But it doesn't take long before dominating her isn't enough. I need more. Her body alone won't satisfy me. There's only one thing left that she can give me: A baby. SUBMISSION is a dark bad boy baby heist romance. The story depicts sexual situations that take place between consenting adults. The novel also comes with additional bonus books - happy reading!

## Customer Reviews

\*\*\*I voluntarily reviewed an Advanced Reader Copy of this book.\*\*\* Stella is trying to get away from her past and start over. Not easy when her ex is in charge of the local MC who practically owns the town. She breaks things off with him - again, and this time for good and finds a new bar in neutral territory. That's where she meets Mark who is battling demons of his own and trying to start again. The two are attracted to one another and eventually that leads to more. But nothing is easy and of course there are ups and downs to be dealt with. Mark's demons haunt him and Stella's ex is still trying to force her back and take over the new bar to expand his operations. Instead of running and laying down/rolling over they decide to stand and fight. Cameron, the ex, gets what's coming to him and Mark and Stella are able to see where their newfound love can take them.

Oh mercy I have to say this is probably my most favorite book . All of her books are awesome but this one is a home run. It's a roller-coaster ride of emotions, it keeps you on the edge of your seat. The characters are so right for each other. The chemistry is boiling between these two. Wow this isn't your run of the mill M.C. book it's so much more. You have to read it to know what I'm talking about. You won't be disappointed I promise you.I was given this ARC for my honest review, absolutely loved it.I highly recommend this book and author. Sophia Gray is an amazing author

My favorite book so far from Ms. Gray!This may sound like your typical MC book but it isn't. Stella has grown up surrounded by the MC in her town and she fell right into a relationship with their leader Cameron. But she has had enough and is ready to break away from that world...but Cameron just isn't ready to let her go.Mark is ex-military just floating through life not caring about anything or anyone but Stella pushes threw his walls and somehow ends up right in his heart.Will these two make it will everything they have stacked against them...read it and find out!

Another great book from Sophia Gray!I think that this is my favorite book of Sophia so far!Cameron is the president of the Mauraders MC.Stella is his ex girl friend that he doesn't want to let go. His obsession with her is driving her crazy so she gets a new job away from him.There she met Mark. Feelings soon develop. Cameron doesn't give up.This story is full of drama, twists and turns and keeps you wondering how it will end!How will it all end? You'll have to read it to find out!I voluntarily reviewed this book from an ARC copy.

I voluntarily reviewed this ARC book. Sweet read. Stella is a woman who is tired of her obsessive ex-boyfriend. She wants to live again and that includes dating. But every time she tries to go out with someone, her Ex's MC comes and ends the date with their fists. Then she branches out into new territory and meets Mark; a young man who has not had a break in life. It starts out as a simple fling until a surprise pregnancy and an escalation from the ex boyfriend make both Mark and Stella really look at what is important to them

A very enjoyable and entertaining read. It's well written and has a very creative storyline. Sophia has a way to write her stories so interesting that it sucks you in from the very beginning. This story has hot, steamy romance, some emotion and enough drama to keep you entertained until the ending. The people in the book are well developed and have great personalities. The chemistry is both hot and sweet. This really is a good book with few twists to keep it real. I voluntarily reviewed an advance copy of this book.

Sophia has delivered again. This book is filled with wild and crazy ride. When your trying to leave your ex behind but he controls most of the territory being the leader of the local mc. But then you meet a man mark who has his own demons but you both are trying. However life has a way of getting complicated and people dont always let go with easy. This is a must read, it wont let you down. I recieved this book as an arc and i am giving my honest review voluntarily

This was a bit of a change from other s.g. books. Most books have the story told from the 2 main characters perspectives. This had a twist to the perspectives. It added supporting characters to the narriation perspective. One thing I really enjoyed was how the characters developed throughout the book. Was set at a good pace nothing to fast or slow with the plot. I also likenthat it was not solely based in the MC. I voluntarily read this book as an ARC.
