# Lost In Paris: Color Your Way Around The City

## Synopsis

Paris - the city of light - is the world's top tourist destination, and it's not hard to see why: beautiful squares, parks, and promenades are plentiful, and there's an abundance of splendid buildings, making it a feast for the eyes. From the Biblioth que Sainte Genevi ve, to the more modern architecture such as Maison Europ enne de la Photographie, the skyline is mixed, giving Paris a wonderful, unique personality. Lost in Paris is a coloring-in stroll around this fabulous city. Featuring fun facts and quotes about the city alongside the illustrations, this is a relaxing coloring book as well as a wonderful keepsake. Take a wander along the Seine, discover famous landmarks including the Eiffel Tower and the Louvre, and color in some charming boulangeries and boutiques along the way. Paris is one of the world's most romantic, beautiful cities, and in Lost in Paris you will travel to the most well-known places, as well as some hidden gems, waiting to be brought to life. So whether you're looking for a digital detox, to relax, meditate, or just feel like some therapeutic coloring, this special book is the perfect escape.
