Customer Reviews

Danger On the Mountain is the third and final book of the Rose Mountain trilogy that has been such an enjoyable series. Maggie Bennett moved to Rose Mountain with her infant daughter for a new start where she can work from home. She is a widow of an abusive husband and wants to put the past behind her. She has an older neighbor who helps watch Belle as Maggie works. Reese

Kirkpatrick is a deputy who moved from DC to work on Rose Mountain. The first day on the job, he met Maggie at the bank when three robbers tried to rob the bank. It soon becomes apparent that trouble has followed Maggie to Rose Mountain and Reese, who lives near her, comes to her rescue from time to time as do others with Sheriff's office. This is another tense, edgy read by Lynette Eason with a surprise, scary ending caused by an off balance person. There is also a thread of faith running through to help the characters deal with the danger.

Lynette Eason can be counted on to bring her readers well-written characters, intriguing plots, roller-coaster suspense, clean romance, and non-preachy Christianity. She has once again succeeded with *Danger On the Mountain*. I am sorry the Rose Mountain Refuge series is over. I enjoyed all three books. In this story, the main characters, Maggie and Reese both have been deeply hurt by issues in their pasts. They find it hard to trust, and have built a wall around their hearts. As they face danger coming at them non-stop, they along with their faith in God, learn to trust and lean on one another. *Danger on the Mountain* is filled fast-paced action. I was hooked early on. I did guess the main villain by the middle of the book, but that did not detract from the suspense. I highly recommend this book, and the whole Rose Mountain Refuge series.

This book played on all my emotions. I laughed, or cried, held my breath, saw red at times while I turned the pages of this book. This book held my attention from the 1st chapter till the last page. If this story plot happened in real life, it would be really messed up. I have to say I never saw it coming. There were one or two grammar errors, but the book was well written. This is not one of those books you can guess the plot, or the outcome. Here is a sample from chapter 11 and 12

The flyer window shattered inward and Reese felt a sting under his right eye even as he dove for Maggie, heard Shannon scream, and two more bullets pound the wooden door. Maggie whirled, her first thought to grab Belle and cover her. A hard arm around her waist stopped her midflight and took her to the floor. She cried out. "Belle!" "Stay here", Reese demanded. Maggie flipped around to see him pull Shannon and Belle to the floor behind the recliner in the den. He was already reaching for his phone when the glass on the other side of the door mimicked the first one, shattering all over the foyer floor and spraying into the den. Reese barked "shooter at Maggie Bennett's house with a good view of her front door." Trembling, breaths coming in pants and tears blurring her eyes, she crawled toward Belle and Shannon, her only thought to get to her baby, and cover her, protect her.

Really well done. A very good read. Great plot line, good representation of Christian faith in

challenging circumstances! Pretty much, anything Lynette Eason writes is going to be good!

I can always count on Lynette Eason when I'm looking for an entertaining story to read. This one didn't let me down. The excitement begins on the first page and doesn't stop until the last line. Characters and story lines are always engaging. I like the way her characters grow in faith in a very natural, nonpreachy way. I always come away having been encouraged in my faith, too.

I have been reading Lynette Eason's books for a few years and I have never been disappointed in any of her books. Rose Mountain Trilogy has been exciting to read, tearful at times, and bursting out laughing at other times. Danger on the Mountain is the last in the series, (there could be more, Lynette) and profoundly interesting. Never knew who the culprit was, such a surprise! Read in one lazy afternoon, could not put the book down. Thanks for a wonderful series. Geneva

This is an awesome series. It is written by a Christian so it is a good clean book. If you like these books you would also like Dee Henderson and Terri Blackstock.

This is a story of suspense, mystery, intrigue, and many twists and turns. It has strong characters and a strong storyline. It keeps you on the edge of your seat and unable to put the book down. It kept me guessing until the end. It has a great love story of two broken people coming together.
