This was everything I wanted and more! The way Ally mentally speaks like she's writing her books is sometimes how my mind works when reading for long periods of time lol every books lover has experienced that. The world and characters drew me in and her sexy men and her sense of humor kept me there and made me not want to leave.

I liked this book. I loved that Ally didn't suffer fools and didn't lie to herself or others about what she thought and how she felt. I am so tired of contemporary romance novels that portray women as naive, weak, virgins or that try to create drama by having the heroine's internal monologue go on and on about how attracted she is to the hero while she fights with him tooth and nail for stupid reasons. This book, however, was a very refreshing change - not to mention, super sexy! I will definitely be reading the next one.

I enjoyed the heroine in this book because she was strong and decisive. No meek little miss. The quick pace and clear writing of this book also kept me from getting bogged down. This book was a quick enjoyable read.

Harem of fangs was absolutely delicious!!! I devoured it up within 24hrs. For the first time I find myself totally jelly of a main character's "hot guys! Hot sex!! A MC who knows what she wants and isn't afraid to speak up. Great story from beginning to end. Excited for the next one!

I loved it! Emma Dawn can really weave a story. Before you know it you're sucked into the world and falling hard for the characters. Especially those yummy men (have mercy!). I mean who could pass up a RH of sweet and sexy vampires!

I have read both books in this series and have loved both of them. I mean you have 2 separate girls that have multiple men after them. Yum!!! But seriously though both of these books have great story lines and relatable characters. A definite must read

Steamy sex, intriguing storyline, hot vampires, all I can say is...more please!

I first read this on KU and must admit I liked it. It is pretty primal and a lot of bedroom fun. I had to have my own copy and I also have the second one as well!
