Customer Reviews

I can't get enough of T.S. Joyce's books. This one is just awesome. Lynn is called Crazy Lynn because her panther keeps fighting bad ass shifters. She's broken and has a death wish. Jathan has watched her one too many times and has vowed to save her. They bond and she's well on her way to healing. She returns to her Red Havoc crew and a prophecy is fulfilled. She becomes the Monster again to save her alpha and crew. I couldn't stop reading until I finished it. I love when our former crew members all come together in a battle. And as always, I laughed, cried and cheered. Excellent series!!

I started out by binge re-reading the entire Red Havoc series before I read Red Havoc Bad Bear. I just had to $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} ∞ what better way to put myself back into the intricate world of Damon $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s Mountains? I don $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ t do spoilers or plot summaries in my reviews, I mean, the synopsis given on the book $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s page gives a great rundown of what the story is about, so why bother repeating all that stuff? But I love that Handsy Henry made it into this book! LOVE IT!!!!! have wanted to know Lynn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s story for a while $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} ∞ parts of it were scattered through other books, but knowing all of it shines a new light on other aspects of previous books that make me want to go back and re-read the others with this knowledge to see how it affects my reactions to the characters and the story as a whole $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} ∞ to me, this is a sign of a great author. 2 other criteria for a great author are: world building and $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} "do I want to know more about the characters/story $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} . Well, T. S. Joyce meets both of those criteria in a big way. I was pulled into her world of the Damon $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s Mountain and the Appalachian Mountains of the Red Havoc Crew and all its inhabitants. She created a world within the pages of her books that pull me in and kept me reading well beyond when I should have stopped to do other things (chores and errands

 $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} ∞ blech!). T. S. adds so much authenticity to her books, that I have to wonder where exactly all these shifters are in those mountains. Her attention to detail is one of the things that gives her world its believability. As an English teacher, I have taught student that they need to suspend disbelief when reading fiction so that they can immerse themselves in the world of their book. With T. S.'s books, there is no need for that suspension, her books draw the reader in and keep them coming back for more. I am the type of reader who wants to know all about the characters in the books I read - even characters that do not figure prominently in past book $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} ∞ those characters only mentioned in passing. I want to read their stories and know what makes them tick (a HEA is also good too). T. S. Joyce has done this in spades. Yes, I found a few typos that escapes editing, but that $\hat{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\hat{A}$ \hat{a},ϕ s probably the English teacher in me and most people won $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ t notice them. (and I am sure this review is full of typos as well lol)Another thing I have noticed with T. S. $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s books is that she is not formulaic with her writing $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} ∞ there is an overall theme that may repeat throughout many of her books, but she is not one of those shifter romance authors who basically writes the same book over and over again with fill in the blank character names and places. You can see in her writing where the characters went in an unexpected direction and changed the story on her or how the plot zigged instead of zagged and changed the tone of the book. I have been reading shifter romances since before they were $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{A} "cool $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ $\hat{A} \bullet \tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} φ vou know, when there were just 1 or 2 authors writing them instead of whole sections in the bookstore or on dedicated to them. To find an author that listens to her characters and adjusts her writing accordingly is AWESOME!!!!!!!! Too many authors create a character and keep that character static $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} ∞ they don $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ t allow the character to grow and develop beyond the initial casting even though the character makes several appearances in other books. T. S. lets her characters learn, grow, and change in a natural, organic way that adds so much more believability to her work.

God I love this author!! Her stories are the best! They are well crafted stories of imagination and heart. She mixes fantasy and a realistic life so well you want to check around you for any shifters. Lynn is a broken panther. She has had heartache and she is lost in a degree so deep most believe she will never be a normal happy woman again. She has been sent to live in Damon's mountain as a last resort to get help or she will be put down for her safety as well as others. Jathan is an alpha bear. He won't let her die. He doesn't understand why but he is determined to help her and so starts the story. Well done!! You will love this book!!

OMGOSH!!!! Incredible! Amazing! Heart wrenching. Tear-filled. Laughed so hard, I cried! Full of proud moments for Jathan and Lynn. This book was such an excellent ending to this series, which I LOVED!!! I was so happy that Ms. Joyce brought in everybody from the other books! Thank you so much for doing that! I couldn't read this fast enough. I absolutely LOVED when Willa dressed up baby Amberlynn like a worm...I could see the little fake butterflies hanging in the tree above the baby and her sitting on the blanket....I just sat there and smiled like a fool. This book had a wealth of emotion flowing through it and I felt each one. I hate to see this series end....but I will be waiting for Son of the Cursed Bear...it can't get here soon enough for me! Ms. Joyce....thank you. From Damon's Mountains, Kane's Mountains, Harper's Mountains, to Boarlander Bears, Bears Fur Hire, Wolves of Winter's Edge., Gray Back Bears, our Saw Bears, Winterset Coven, Shelter Me Home, and Red Havoc Panthers....you've written us some amazing stories I'll treasure always. I love them all! Keep up the great work and I'll keep reading. Thank you so much! Job well done!

What can I say, bears, panthers, birds, dragons, gorillas, all my favorite shifters are back ,and a few new ones. This reader is in 7th heaven for this. Crazy Lynn a black Panther, is she really crazy or is she just lost and tired, Lynn has gone through a lot and shut down, all she now seeks is death, well Jathan Barns has other idea, he seeks to help her and thinking she is weak, poor Jathan, could not be more wrong, but with each word with each page the story grew and developed, and no matter how hard Lynn tried, there was no escaping her destiny nor Jathan. Back in Damon's Mountains she faces her devils and gains in strength not just for Jathan but from the other crews. There is war coming, will Lynn fulfill her destiny as Beaston told her or will she fail. You will have to read the book, its another fantastic ans great story and I could not help but fall in love again and again.
