Shipping Weight: 0.6 ounces

Average Customer Review: 4.0 out of 5 stars 1 customer review

Best Sellers Rank: #1,122,247 in Books (See Top 100 in Books) #31 in Books > Teens > Hobbies & Games > Games & Activities > Puzzles

Customer Reviews

Grades 6-8. Fast, fun brainwork for higher grades and top text scores. develops thinking skills. The activities are perfect for school, home and travel,

The book has many different puzzles, one per page, but they are related to other books you would need to purchase if you particularly like one puzzle or another. I wish I had known that. Some of the puzzles are a good challenge (for a 6th grader), others are disliked and too easy. When we finish this book, we will go back to our favorite puzzles and try to choose a book that contains more of them.
