# The Two Moors Way: Devon's Coast To Coast

## Synopsis

This guidebook describes the 187km (116 mile) Devon Coast-to-Coast Path, or Two Moors Way. The route travels south to north, from Wembury on the south coast, up through Dartmoor and mid-Devon, through Exmoor to Lynmouth on the Bristol Channel. The walk can be adjusted to suit each walker, and can take between a week to 10 days depending on itinerary. While thousands of visitors flock to Devon every year, few leave the honeypots and coast, so walkers on the Two Moors Way are treated to beautiful and remote countryside, far from the crowds. The route winds north from the coast, up past Ivybridge into the wilds of Dartmoor, where the path crosses the upper course of the River Dart, and passes through Dunstone Down and Chagford. The way through mid-Devon visits Witheridge and Knowstone before climbing onto Exmoor and into Somerset, before reaching the sea. This guidebook combines clear route descriptions and OS map extracts with plentiful practical details on each stage of the route as well as advice on accommodation, facilities, and how to travel to and from the Way. Also included is a wealth of detail on the history, geology and wildlife along the way, as well as noting points of interest to enhance your walk.

## Customer Reviews

After graduating from Exeter University Sue Viccars worked for a London map publisher before grabbing the chance to return to Devon, where she spent 20 years commissioning walking, equestrian and countryside books for David & Charles Publishers. She received her first walking book commission three weeks after going freelance in 2000 and since then has written or contributed to around 20 books, specialising in her home territory of southwest England, with

particular reference to Dartmoor and Exmoor. She contributes to Exmoor: the country magazine, and has been editor of Dartmoor Magazine since 2008.

Sue Viccars' guide book for the Two Moors Way took us safely across the moors, along with our Explorer Maps. Took the trip in September 2016, which I highly recommend for an amazingly beautiful, Hobbit-like shire world, walk across the English countryside of Exmoor and Devon. Some of the wording as in half-right, or to the right of the large oak tree(now fallen), or a stone bridge(just a rock across a creek), was challenging at best, but my daughter, the navigator, studied the book each evening before our next walking day as though it was the Bible---and we made it! Highly recommend this book and this Coast to Coast Walk. We were so proud of ourselves---120 miles walked in 6 nights and 5 days.
