# Heart Of The Sea: Irish Jewels Trilogy, Book 3

## Synopsis

Book Three of the Gallaghers of Ardmore Trilogy Walk with #1 New York Times bestselling author Nora Roberts in the shadow of an ancient tower and hear a story of dreams fulfilled and wishes come true. Darcy Gallagher has always believed in the pull of fate, the magic of legend, and the importance of money. She longs to find a rich man who will sweep her away into a world filled with glamour and adventure, and the exotic life that is her destiny. A wealthy businessman with Irish blood, Trevor Magee has come to Ardmore to build a theater and to uncover the secrets hidden in his family's past. He thought he had given up on love long ago, but Darcy Gallagher tempts him like no woman ever has. She's gorgeous and intelligent, and she knows what she wants and he's more than willing to give it to her. But as their mutual attraction flares into passion, they look into their hearts and find out what happens when you truly believe. Don't miss the other books in the Gallaghers of Ardmore trilogy: *Jewels of the Sun* and *Tears of the Moon*. From the Trade Paperback edition. --This text refers to the Mass Market Paperback edition.

Best Sellers Rank: #51 in Books > Religion & Spirituality > Occult & Paranormal > Unexplained Mysteries #222 in Books > Audible Audiobooks > Religion & Spirituality > New Age & Occult #549 in Books > Romance > Anthologies

## Customer Reviews

I love, love, love these books; the kind I couldn't wait to finish, yet didn't want to end. Nora Roberts is a genius, pure and simple..but really not simple. Her characters are so real, and the Gallaghers are so warm, so quirky, they have me talking back to them. This one, with Darcy and Trev is the wildest. Darcy is a piece of work to be reckoned with, and Trevor reckons he'll handle it. Hah! I adore the books, set in Ireland, with its magic, legends, and Faeries. I was able to lose myself, for a while,

in the warmth, and "rightness", away from all the "wrongness" going on in the real world.

The Gallaghers of Ardmore trilogy is a gorgeous story of two brothers and a sister in a tiny village in Ireland. Each book in the series follows one sibling on their way to finding love. Nora Roberts has painted a rich, luscious picture of life in this tiny town, the culture, music, history of a wonderful people. She has brought legend and fantasy life here to make the story just a little magical. She made me want to go there, to meet her characters who I have fallen in love with, to walk the green hills and wander among the ancient ruins that dot the landscape, to sit in the Gallagher's pub and have a pint among the lovely characters in her stories.

I loved Jewels of the Sun and really liked Tears of the Moon, but it was a struggle to read each word of the last in the Gallagher's trilogy. I mean, what did it take for Trevor to realize that he had to tell her he loved her? About 3/4 of the way through the book, I considered just stopping, but since I'm reading, in part, for research and education, I forced myself to finish it. But, really, it was a disappointment, particularly if you've read the first 2 in the series. You know the couple is going to get together. Heck, you knew it by the end of book 2. And belaboring the "she likes nice things and wants to travel" and "he likes to build things from the bottom up" premise was just way too boring. Sorry, Nora. I'd give my left middle finger to have half your talent, but this was not your best effort.

Excellent storyline. Perfect way to end the trilogy while keeping the reader wanting more. Totally enjoyed all 3 novels, but this one was the best. No one would be sorry to read this. The plot followed the premise of the 3, but the characters were different in their style and portrayals. Adding other locales though for a short while, expanded the story and kept the reader wanting to find out what happened next. Missed the weddings in all novels and the short mention at the beginning of the next novel just wasn't enough. A wedding at the end of the final book would have made the book absolutely perfect! Enjoy this one!!!

The Gallagher family. Legend of Carrik and Gwen. Fairie Hill Cottage. Trilogy of three spellbinding love stories set in Ireland, Ardmore county. I loved reading all about each one of their stories and feel it captures the magic of Ireland and its folklore. Just love Nora Roberts.....Terri McNamara

Very good read. A slow beginning, but it pulls you in . I also enjoyed the way this whole family loved ,

trusted and took care of each other. The way Nora Roberts described the town and surrounding area was wonderful. The ghost and fairies were also a nice touch.

This is the last book in the trilogy. It was different from the others. For me it was harder to get into. I continued to read this book to mostly find out what happened with Prince Carrick and Lady Gwen. If not for that I would probably not have finished it. I love Nora Roberts books but wish she wouldn't use such bad language. That is totally unnecessary and a turn-off for a lot of readers.

I loved this series. When I read the last book in the trilogy I wanted to know more. Surely the Gallaghers could lead to more books. I want to know about the travels and about the kids to come. It's in reading this trilogy that I realized my heart is Irish even if my nationality isn't.
