## Synopsis

Find a fem hot. Leave a fem wet. That's the student motto here at Fire Academy. Too bad Lacey Nelson thinks I'm the devil incarnate. She acts tough, but I know innocence when I see it. I could set her world ablaze with a single finger, be the first inside her hot house. If I could get close enough | She's the only girl in this year's class. Every guy in here wants a piece of the action. But there's a reason they call me the Dream Machine. She'll slide down my pole and discover why. What she needs is a distraction ten throbbing inches of it. And I'm going to give it to her. Even if I have to burn this place to the ground. Blaze is a full-length bad boy romance with a happily ever after and no cheating. Includes bonus books and exclusive content for a limited time.

Title: Blaze  
Author: Teagan Kade  
Designation: Full-Length Standalone Bad Boy Firefighter Romance, NO Cliffhanger  
Reading Platform: Kindle Edition  
My Rating: Five Devilishly Delicious Stars\*\*\*\*\*  
Oh my! I loved, loved, loved Blaze! This is my first time reading Teagan Kade, but it certainly won't be my last! Blaze is an exciting, action-packed, fast-paced, fun-filled, well-crafted standalone contemporary bad boy firefighter romance filled to the brim with heart-wrenching drama, agonizing angst, dreamy love, and steamy sex. Though not technically categorized as a thriller, adventure, or

comedy, Bait is liberally seasoned with pulse pounding danger, spine-tingling suspense, and laugh-out-loud humor. I know - sounds like a strange combination, right? But it's all in there and it works! The narrative is beautifully written in the first person with clearly defined his and her perspectives. My favorite! The dialogue is smart, snappy, well executed, at times hilarious, and flows effortlessly. Once I read the second sentence of the very first chapter, I was hooked! That's not a typo, folks. I was hopelessly addicted after reading only two sentences and by the end of the second chapter, I knew I'd never be able to stop until I finished the entire book. I fell head over heels in love with both protagonists! Cocky, arrogant, sometimes crude but always sexy, former football player but now bad boy firefighter-in-training Payton Cox is just the cat's meow! Purrr-fectly adorable! And OMG - beautiful former homecoming queen and now firefighter-in-training Lacey Nelson is my hero, or I should say heroine! She's strong, tough, sassy, brave, and determined to succeed. Her dad was a New York City firefighter who perished on 9-11 and she wants nothing more than to become a firefighter and make a difference by saving lives. These two characters literally explode from the pages and set your Kindle on fire! The interaction between Payton and Lacey is nothing short of hilarious and is filled with laugh-out-loud one-liners, brazen innuendos, and sexy banter. But oh my heavens, Payton and Lacey are a perfect pairing, playing off each other brilliantly. When they meet, their connection immediately sparks to life and quickly erupts into a fiery blaze - literally! Their sexual chemistry is so hot it sizzles, their passion explosive, their love undeniable, and their fate inescapable. I laughed, I cried and shook my fists in anger, but by the end, I was happy, satisfied and well entertained. No spoilers from me but I will say this... Handsome, cocky and wealthy womanizing bad boy firefighter-in-training with an ego even larger than his trust fund who has just met his match-check! A beautiful, determined young woman desperately in need of money for tuition so she can become a firefighter and follow in her deceased father's footsteps-check! Danger, drama, action, suspense, and an enemy who isn't afraid to kill in order to take what he wants-check! Steamy sex and heartwarming romance-you bet! That and a whole lot more! Did I like this book? No, I LOVED it! Was it perfect? No, the plot was a little transparent and by that I mean, I knew the identity of the bad guy before it was actually revealed. It was kinda obvious but Kade still kept me on my toes throughout the entire book, and it didn't stop me from enjoying the story. There were a few minor boo-boos but nothing that distracted me from the story. Would I recommend it? You bet and I am, but only for adult readers since it does contain steamy dreamy sex and a trash-talking alpha hero with a dirty mind and even dirtier mouth. Payton's vocabulary is littered with an encyclopedia of sexual innuendos and four letter words. And I loved every single minute! If you love strong heroes and kickbutt heroines, then this book is definitely for you. Will I

read this author again? Abso-freakin-lutely! And finally, was I entertained? Completely! This story probably won't win a literary award but it did win my heart! Deliciously cute, fabulously funny, exhilaratingly suspenseful, sinfully sexy, and delightfully entertaining!

Blaze by author Teagan Kade is blazing hot!!! Oh ok I that was a bit cheesy. But this book is fr\*Ãfâ Ã Â£Ãfâ Ã Â£\*ÃfÂçÃ â Ã Â- HOT!!Blaze is a scorcher of a love story, this book has a bit of everything- from hot sexy scenes to drama, suspense and action. This book will also pull a couple of your heartstrings. Enjoy the heat!!! voluntarily reviewed an Advance Reader Copy of this book.

Payton was hot, well atleast how he is described. At first he was an arrogant jerk, but Lacey put him in his place repeatedly. Finally she gives into their attraction after he tones down his come-on, knowing that she is special and not one of the easy girls. It had its sad moment, the part with Hernandez, the loyalty moments, and suspense. And of course our HEA.

I voluntarily read and reviewed an advanced copy of this bookOMG this book was amazing, I LOVED Peyton even though he was the cockiest jerk at first (he has reason to be)Peyton's nick name was "The Dream Machine" before everything went to hell and now he is at the Fire AcademyThis is his last chance, His dad is not at all happy with him, His mom supports him, He comes from a very richfamily and his legacy from college of his Grandfather and Father, But Peyton does something stupid and is kicked outLacey Nelson is following in her late father's footsteps, it is something she has always wanted to do/be a firefighter.She is tough and takes no crap from the other guys in the academy especially Peyton. When coach teams them upat first they compete against each other, but one main lesson at the academy is team work.There are parts that are amazingly HOT and some that had me in tears. I LOVED this so much and HIGHLY HIGHLY recommend this book

Teagan Kade has given us another incredible book with Blaze. Lacey is following in her father's footsteps by becoming a firefighter. If she can make it through the toughest Fire Academy. Payton was a star college athlete till something happened. Now following his own path he is at the Fire Academy. He runs into Lacey while having a little fun. He is determined to get her to like him. This book has some great twists and turns. There are moments where you go noooo!!! And then there areheart warming ones too. Just one click it now. It's that good. I did you should too. I recieved this

book as an arc and i am giving my honest review voluntarily

Well! What a ride that was! Teagan Kade took pure passion added in emotional mayhem and suspenseful twists and turns to keep us on our toes giving us an actual "Blazing" Hot read to satisfy all the senses! Lacey, Payton and the rest of class ( well most of them anyway) are an absolute treat to read about! You can feel the bond they all form, the connection between the arrogant but somehow makes it work Payton and Lacey is one that can tell right away is going to be good! Captain Jennings is one of my favorites out of this lively bunch! This heartfelt Fire Station romance is more than the workplace getting it on falling into insta love. Sure it was a sexy- powerful- had me laughing- cringing and wanting to take out some recruits type read. However, there was also some amazing messages in there about believing in yourself- no matter what anyone tells you it is o.k to do for you, and whether you are a man or women obstacles can be overcome. Oh yeah and the best ways to win a drinking contest. \* winks\* Another amazeballs book by Teagan Kade! Her unique stylings keep amazing me! I look forward to the next book!!! IMO #ONECLICK MATERIAL
