Dynamic Physical Education Curriculum Guide: Lesson Plans For Implementation

Synopsis

A valuable reference for both the pre-service and in-service elementary Physical Education teacher, this text complements *Dynamic Physical Education for Elementary School Children*, Eighteenth Edition and is automatically packaged with each copy of the main text. Teachers of kindergarten through sixth grade will benefit from using these lesson plans as a guide for presenting movement experiences and skills in a sequential and well-ordered manner. Plans also include ideas for integrating academic content into daily classes. The lessons are presented in three complete sets that cover unique developmental levels, grades K-2, 3-4, and 5-6. Each section contains a yearlong syllabus to assist teachers with planning. All the information necessary to present a comprehensive lesson is included in this package.
