# Self-Assessment Color Review Of Veterinary Dentistry (SELF-ASSESSMENT COLOR REVIEW SERIES)

## Synopsis

Dentistry is among the fastest growing areas of companion animal practice. In this color review a group of world-renowned experts provide systematic coverage of the subject as randomized self-assessment case presentations, in the form of integrated questions, superb illustrations - color photographs, imaging and tables - and detailed explanatory answers. The book is designed to stimulate interest and promote further study. Its appeal is to veterinary students preparing for examinations and to veterinary practitioners in their continuing professional development. Coverage includes dogs, cats, horses, rabbits, and rodents.
