William Gray, a history graduate, was educated in the Seychelles and Hong Kong. He is the author of three novels, two films and several wildlife books, mainly on Southern Africa. One of his finest accomplishments is *Wildlife Africa*, a tribute to the people, landscapes and wildlife in Africa.

Pretty good book. It helps a lot with our traveling. Enjoyed the map and it was helpful. Easy to understand.

This book is a good guide with ample details to get you on your way. Anyone heading off to Zambia on their own is in for an adventure, and this book will allow them to venture out with a reasonable chance of success.
