The Irish Getaway is the Kennedy's summer vacation!! It must be read after you've read the first 3 books in this series. It is a novella, but without knowledge of the previous three books, this book will be so confusing to a reader. Plus it has a lot of bonus content that can't be truly enjoyed without the background from books 1thru 3.Faye and Kyler start the story off in Ireland by themselves, which I really enjoyed. I love this couple so much. They've been through hell and back (many times) so it was nice seeing them finally enjoying life, together.I really enjoyed the first meeting between Faye and her grandparents - it was just really sweet. Watching Kaye interact with her step-sister Whitney was interesting also and I hope we may see more of Whitney in a future book.One thing I really enjoyed was seeing all of the Kennedys in one place. I felt like we got to know Keanu, Kev, Kent and Kade a little bit more too. I know it sounds like a lot of characters are in this series (and there are) but it's not too overwhelming or confusing, which says a lot about Siobhan's writing.Siobhan did a great job of giving us a follow up to Faye and Ky along with tid bits of what we could expect from the other Kennedy boys in the future. The bonus content was a nice addition and gave us different insights to scenes from previous books along with hints at two future books!! highly recommend reading this after reading the first 3 books.

The Kennedys have gone to Ireland ... but is Ireland ready for this group?Ky and Faye are the first to arrive and spend three weeks there on their own. The rest of the gang join them later and then the real adventure begins.Those first three weeks are a blissful, contented time for them - especially for them to reconnect after the events from the last book. They make new memories in Faye's home, which helps her in dealing with the aftermath of her parents unexpected death - even months later.Can I just say I LOVE these two together? I definitely see these two lasting until their both old and gray - together, surround by grandchildren!Anyway, this story wasn't only about them - the family has decided to take a joint trip to visit the "motherland". I should have known from the moment these beautiful people stepped through the sliding doors, Ireland was in for a treat -

Kennedy style. Attention mothers of the land - HIDE YOUR DAUGHTERS! The Kennedy Boys have landed in Ireland!!!!These boys are ready to party - Irish style and yet somehow, wherever these Kennedy Boys go, they stir up trouble. This book is packed full of Kennedy adventures that you won't want to miss - and a few small key details that aren't to be missed as well. The book is the perfect companion and set up for Kalvin's story, which is next in the series. Definitely not one to be missed!* I received an exclusive ARC of this book *

The Kennedys are going to Ireland! Ky and Faye spend three weeks there on their own, and then the rest of the family joins them after that. Those first three weeks are a blissful, contented time for them. They make their own memories in Faye's home, which help her in dealing with the many memories that haunt her as she misses her parents. I LOVED when she brought Ky to her parents graves. He introduced himself to them, giving a very touching speech and ending it with $\tilde{A}f\hat{A}c\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{A}^{"I}$ will love her, protect her, and support her for the rest of my days. I give you my solemn promise. $\tilde{A}f\hat{A}c\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{A}^{*I}$ It was so beautiful and so romantic!! Kyler is such a romantic guy! Who would have thought that when I first started this series with Finding Kyler, he would turn out to be a romantic?! $\tilde{A}f\hat{A}c\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{A}^{"I}$ will always be here for you. No matter what. My world would cease to exist if you weren $\tilde{A}f\hat{A}c\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{"}ct$ in it, and that $\tilde{A}f\hat{A}c\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{"}cs$ not something I $\tilde{A}f\hat{A}c\tilde{A} \ \hat{a} \neg \tilde{A} \ \hat{a}_{"}cfl ever consider. It was nice to see the family all together in this one!!

For anyone who read the first 3 books of the Kennedy boys, will love this short novel. It is Dual POV between Faye and Ky. It was awesome to have Faye and Ky's story while they were having their vacation back to Faye's home town / home. Kennedy drama seems to follow the Kennedy's left right and center, so its never a dull moment between all of them. we see more of Faye's friends too. was a nice flow through to 'Loving Kalvin'. I loved the bonus scenes from 'Finding Kyler' and 'Losing Kyler'. nice added insight into the previous story, as well as the sample for 'Loving Kalvin'. waiting patiently for 'Saving Brad'.
