Have A Little Pun: An Illustrated Play On Words On Words

Synopsis

Artist Frida Clements playfully combines colorfully detailed flora and fauna drawings with funny hand-lettered wordplay in this collection of beautifully illustrated puns. Honey, bee yourself! Gopher it. Don't be koi. Like puns? That's coo, says the pigeon. Hate puns? Birch, please. Bringing a giggle (and sometimes a groan) with each inspired page, this clever volume makes a lovely and lighthearted gift for fans of witty humor and illustration. Having a bad hare day? Feeling a little antsy? What the hail, just dill with it, and for fox sake, have a little pun.

Customer Reviews

Frida Clements is a Seattle-based illustrator and graphic designer who keeps an ever-growing list of puns with her wherever she goes.

One of the funniest books I have read in a long time. I bought six of these. Five for Christmas gifts and one for me. To be fair, I'm biased. I love puns. But really this is a great book. The puns are clever and the illustrations are beautifully done.

Drawings are very pleasant and a good many are funny - but some just aren't funny at all, and I LOVE puns - so I was surprised by it not being better.

It's a book full of puns!! What is there to not like?

Bought this for a coworker I was leaving at an old job. She always told Dad Jokes and waited for people to laugh. I wanted to make sure she had ammunition long after I was gone. She was delighted.

I purchased this for a friend who really goes crazy for puns. I skimmed through it before mailing it to her and found it absolutely adorable! When she received it she let me know immediately and was thankful for the new material :)

Fun book.

Bought 3 of these as gifts, and the recipients were all very pleased to receive them. They were given to those who enjoy the joy of language, and one a teacher of writing. Clever, and great pictures to accompany.

Very punny little book... great gift for someone with a punny sense of humor
