## Customer Reviews

My wife loves Jane Austen and all that she has written. Further she has even written some variation novels based on Austen's work. So, when I went looking for a Christmas present I wasn't sure what I might find. These cards were perfect. They are nicely done. The art work is great and any Jane Austen fan will love them. The only problem might be that you don't want to use them because they are so nice. But overcome that thought and go ahead and write notes to your friends and invite them to also become Jane Austen fans. Great product, good price, quick delivery time and a perfect gift! Enjoy!

Cute cards. Perfect for the Jane Austen fan. Four different pictures and even the envelopes are decorated. Average in size, not very big, which wasn't a problem for me but if you like to write a lot, you might have issues. One negative is they could have used much better quotes.

Enjoyed the note cards as thank you notes.

Fast, well packed, item as described.

nice enough cards, but I didn't think the choice of quotes was very inspired.

wonderful

My husband got me these cards for part of my birthday gift. :) I love them! They are wonderful for Austen fans. And I love writing to friends and family with my dip pen, so these will work wonderfully for that :) It is going to be hard to convince myself to use them though. I love them so much, that I might not want to ever part with them :)

This item is not a book at all. Rather, it is a box of 4 different styles of illustrated note cards -- stationary! Each card has a lovely illustration from a Jane Austen novel with a quotation and the words "Jane Austen" on it, too. The colors are soft pastels and vintage-y sepia tones. Inside, the cards are completely blank, so they could be used for birthdays, anniversaries, thank yous, or just thinking about you notes. I'm a huge fan of Jane Austen, so I love these cards. I have used them several times already, and the people who received them have all commented on them with delight.
