Hardcover: 960 pages Publisher: Delmar Cengage Learning; 4 edition (January 25, 2016) Language: English ISBN-10: 1305086279 ISBN-13: 978-1305086272 Product Dimensions: 1.5 x 9 x 11 inches Shipping Weight: 4.6 pounds (View shipping rates and policies) Average Customer Review: 5.0 out of 5 stars 1 customer review Best Sellers Rank: #53,027 in Books (See Top 100 in Books) #58 in Books > Textbooks > Engineering > Civil Engineering #107 in Books > Crafts, Hobbies & Home > Home Improvement & Design > How-to & Home Improvements > Design & Construction #138 in Books > Engineering & Transportation > Engineering > Construction

### **Customer Reviews**

William P. Spence is Dean of the College of Technology as well as Professor of Construction Engineering Technology emeritus at Pittsburg State University in KS. He currently is active as a full-time author of more than 30 technical construction books.Eva Kultermann is Associate Professor in the College of Architecture at Illinois Institute of Technology where she teaches courses in Materials, Architectural Design, Design Build, architectural Technology, Vertical Framing, and Energy Conscious/Sustainable Design. In 2011 she was awarded the Excellence in Teaching Award for the College of Architecture. Formerly, she taught at the University of Arkansas and won the school's Outstanding Faculty Teaching Award. She also worked as a professional builder, trim carpenter, foreperson, and project manager. Ms. Kultermann holds a Carpentry Diploma from Northwest Arkansas Vocational Technical School, a Bachelor of Architecture from the University of Arkansas, and an M.S. in Energy Efficient Architecture from Oxford Brooks University in England.

The professor who the book was ordered for was very happy with it.
