# Up Close: Johnny Cash

## Synopsis

Johnny Cash is a legend, known for his edgy, no-frills style, and is the only person ever to be inducted into three halls of fame (Country Music, Rock and Roll, and Songwriters). His unique voice and his rebel spirit have influenced numerous musicians, from Bob Dylan to Nine Inch Nails. Anee E. Neimark's richly detailed biography traces his life from his boyhood in Arkansas to his addiction to drugs as an adult and finally to redemption and success as one of the most legendary musicians of our time. This is one of the titles in Up Close, a riveting, all-access biography series that celebrates the leaders, artists, and legends of twentieth-century America and the impact they had on the world. "Will foster readers' appreciation of the singer-songwriter's fierce individualism and his outlaw spirit." Booklist, starred review "This biography reads like an adventure story, and the action moves swiftly and captures readers' interest. . What the author eloquently conveys, though, is her subject's ability to remain true to his faith and spirit and to harness his pain into songwriting and music." School Library Journal

Excellent read

I wouldnt buy this book based on the first Editorial review, above. Read the item called for the Bookshelf. Johnny Cash, Never did a stint in prison. He did stay Over night in Jail I believe at least twice, But he NEVER did time in prison. Maybe this is the only Error in the whole book But you would think that Cash's arrest record would be one of the easier things to find out....Whats my source? I read Johnny Cashes Autobiography He was very open about the Lows in his life and being in prison was not one of them.Maybe Im being a bit rough on the Author but I assume puts the review there to help me decide if I would like the book or not.... I can't Help but question the books Accuracy. Either the book is wrong or the reviewer never read the Book Either way Im not buying the book.So If your a Cash Fan, Buy Johnny Cashes Autogrophy. Hear it in Cash's words
