Chosen By Darkness: Reverse Harem (A Ravana Clan Vampire Serial Book 3)

Synopsis

Duty called the Ravana Princes away from me. Without them, I struggle to stay sane, make friends, and still fight with everything I have to complete my training. When the vampire world reminds me just how ugly and dark it can be, I fight back, but there are just some things you can't conquer. My only hope is that the princes aren't mixed up in all this tragedy. Their feelings are the only things I have left to hold dear to me. Chosen By Darkness is a reverse harem serial with one spunky badass and four delicious vampires. Episode Four will release within two weeks. In October, I will bundle the serials into one full novel. If you prefer to read novels, please wait until then.

Customer Reviews

So I actually started this series by accident... lol ... and I can say it's been a wonderful surprise the characters have depth and emotion and I'm looking forward to more.... I would definitely recommend this book if you like the paranormal ... You have one girl that has an amazing depth of strength in her and you have five guys that basically worship the ground she walks on but the storyline is really good I would definitely recommend it

Things are really ramping up. The Ravanas had to leave Ari alone and of course bad things happen. Secrets are coming out and things are getting super intense. I love it. I'm devouring these and I can't wait for the next one!!!

I'm completely addicted to these characters! I need more lol. Reading these serial stories are such torture but what a way to go! ãfã ã ã_ã Ëœã â

Let me start by saying I hate the piece by piece format, but only because I'm in love with this book. The story line is original and I haven't been able to put the book down.

This is a great story line and it gives ya hope for the underdog a bit. Love it to pieces!!
