Alt-America: The Rise Of The Radical Right In The Age Of Trump

Synopsis

The story of the remarkable resurgence of right-wing extremists in the United States. Just as Donald Trump's victorious campaign for the US presidency shocked the world, the seemingly sudden national prominence of white supremacists, xenophobes, militia leaders, and mysterious "alt-right" figures mystifies many. But the American extreme right has been growing steadily in number and influence since the 1990s with the rise of patriot militias. Following 9/11, conspiracy theorists found fresh life; and in virulent reaction to the first black US president, militant racists have come out of the woodwork. Nurtured by a powerful right-wing media sector in radio, TV, and online, the far right, Tea Party movement conservatives, and Republican activists found common ground. Figures such as Stephen Bannon, Milo Yiannopoulos, and Alex Jones, once rightly dismissed as cranks, now haunt the reports of mainstream journalism. Investigative reporter David Neiwert has been tracking extremists for more than two decades. In *Alt-America*, he provides a deeply researched and authoritative report on the growth of fascism and far-right terrorism, the violence of which in the last decade has surpassed anything inspired by Islamist or other ideologies in the United States. The product of years of reportage, and including the most in-depth investigation of Trump's ties to the far right, this is a crucial book about one of the most disturbing aspects of American society.

Book Information

Hardcover: 464 pages

Publisher: Verso (October 17, 2017)

Language: English

ISBN-10: 1786634236

ISBN-13: 978-1786634238

Product Dimensions: 6.1 x 1 x 9.2 inches

Customer Reviews

“The seemingly sudden reemergence of the far right in America has left many in a state of panic and bewilderment. Alt-America will be essential in helping us to comprehend the depth of its foundations in national life.”

•Angela Nagle, author of Kill All Normies: Online Culture Wars from 4Chan and Tumblr to Trump and the Alt-Right

“Over the last two decades, David Neiwert has been one of our finest analysts of the American far right, paying sustained, serious and careful attention to the seemingly fringe movements of conspiracy theorists and insurrectionists. Now it turns out these movements are not so fringe after all but have helped elect Donald Trump as president. This crisply written book, grounded in his solid reporting, tells the whole sordid story with clarity and force. More than anyone else, Neiwert understands that Trumpism has deep roots in American culture and history. In this book, he lays out those roots for all to see.”

•Jeet Heer, Senior Editor at the New Republic

“For over a decade, David Neiwert has been America’s canary in the coal mine—our national early-warning system on the spread of corrosive, eliminationist, right-wing hatred in our midst.”

•Rick Perlstein, author of Nixonland: The Rise of a President and the Fracturing of America

“David Neiwert is among the most astute analysts of the contemporary right.”

•Joe Conason, author of Big Lies: The Right-Wing Propaganda Machine and How It Distorts the Truth

“Neiwert has not only earned his investigative chops over the past decade or so by exploring the dangerous side of right-wing extremism—he’s proven himself to be one of the more lyrical and elegant writers on the beat.”

•Daily Kos

David Neiwert is a journalist and author and an acknowledged expert in American right-wing extremism. He has appeared on Anderson Cooper 360, CNN Newsroom, and The Rachel Maddow Show. His work has also appeared in the American Prospect, the Washington Post, MSNBC, Salon, and other publications. His previous books include The Eliminationists: How Hate Talk Radicalized the American Right, Strawberry Days: How Internment Destroyed a Japanese-American Community, as well as And Hell Followed With Her: Crossing the Dark Side of the American Border, which won the 2014 International Latino Book Award.
