# Second Chance: A Dark Bad Boy Romance

## Synopsis

By the time I'm done, everybody will know she belongs to me. Ten years ago, I broke her heart. I thought I'd never see her again. Never thought I'd hear her soft moans or feel her body trembling against mine. Until now. And this time, I won't ever let her go. I've spent my entire life breaking things. Bones, hearts, and my opponents. She was the only thing I regretted breaking. I thought I'd lost her for good. I thought I'd never see her again. Until I saw her again. Saw those same innocent eyes. Saw those same irresistible curves. She says she wants nothing to do with me. She says she can't re-open the wounds of the past. She's wrong. She's been mine. She's always been mine. And by the time I'm done with her, everybody will know she belongs to me. Forever.

## Customer Reviews

This book takes you on one wild ride and you won't want to put it down. It's that good. Grayson, beaten as a child, is determined to become stronger so that he will never be in that spot again.

Adriana has been his comfort, he loves her so much. But one night takes it all away, he has to leave

and leave her behind. Years later she is now a nurse and has never forgotten him. Then one night they bump in to each other and their connection is still there. But she doesn't know the secrets he keeps and when they come after her. He will do anything to keep her safe. You're going to love this book I did. I received this book as an arc and I am giving my honest review voluntarily

Adriana is his comfort when he is younger, he loves her. One night changes his life & he has to leave his life & Adriana behind. Ten years later & Adriana is a nurse. She has never gotten over Grayson. They meet again over a spilt drink in a club. They want each other so badly, but she doesn't know his secrets. I love second chance romance! This is a great one! Grayson had a rough childhood and Adriana was his friend that he leaned on. One night changes his life and he has to leave his life and Adriana behind. Years later they run into each other and realize they still have feelings for each other. Grayson has secrets that Adriana doesn't know. Those secrets could put her in danger. This book is a roller coaster of a ride that keeps you hooked until the end! It's a hot, steamy, sexy must read!! I voluntarily reviewed this book from an ARC copy.

I voluntarily reviewed an arc of this book. I have read a lot of books by Kathryn Thomas. It is a great book. I love read about second chance romance. Grayson didn't have the easiest childhood. So he is going to be the strongest person so he doesn't have to cower to anyone again. Adriana is a friend that he grew up with and leaning on. One night he has to leave. Many years later they end up running into each other at a bar. She hasn't gotten over him. Will they get the second chance. I can't wait to read more books by Thomas. I will recommend this book and author.

This is a truly emotional second chance read. The story of Grayson and Adriana is filled with a storyline that will keep you guessing but not expecting. Grayson is exposed to a violent father while growing up but finds solace in Adriana until an event takes place out of his control and disappears. Ten years on they meet again and find they still have the same undeniable attraction and the second chance appears with the past coming back to interfere in their lives again. This is a fantastic five star read. I voluntarily read this book in exchange for an honest review.

Grayson leaves behind his true love, Adriana, and his life after a devastating mistake. Ten years later, he returns and sees Adriana again. They both realize they are still in love but Grayson's past stops him from going further in their relationship. They face obstacles two people in love don't normally deal with as a test of their love. Great story and the characters are real life people. I received this book for an honest review as an ARC.

SECOND CHANCESecond Chances are always possible as we find out in this book. This was a very enjoyable and entertaining read. The storyline was intriguing and I loved the characters. Grayson and Adriana have great chemistry and their feelings for each other comes across perfectly. A truly awesome book, I loved it. I voluntarily reviewed an Advance Reader Copy of this book.
