Great little guide to get u planning for a Normandy trip. The way it is organize is good since it gives u by day on how to travel the different routes and beaches. Also the different museum to visit

You can get better and more information on websites. This is a good guide for someone that just

showed up in Normandy and wanted to understand what D-Day was about.

As their other battlefield guides, this Major and Mrs. Holt's guide to Normandy is excellent. I also highly recommend their Gallipoli Battlefield Guide.

Very helpful with my planning and great suggestions. It will come in helpful when we go on our trip.
Thank you
