Enthralled (Viking Lore, Book 1)

Synopsis

He is bound by honorâ Eirik is eager to plunder the treasures of the fabled lands to the west in order to secure the future of his village. The one thing he swears never to do is claim possession over another human being. But when he journeys across the North Sea to raid the holy houses of Northumbria, he encounters a dark-haired beauty, Laurel, who stirs him like no other. When his cruel cousin tries to take Laurel for himself, Eirik breaks his oath in an attempt to protect her. He claims her as his thrall. But can he claim her heart, or will Laurel fall prey to the devious schemes of his enemies? She has the heart of a warriorâ Life as an orphan at Whitby Abbey hasnât been easy, but Laurel refuses to be bested by the backbreaking work and lecherous advances she must endure. When Viking raiders storm the abbey and take her captive, her strength may finally fail herâ especially when she must face her fear of water at every turn. But under Eirikâs gentle protection, she discovers a deeper bravery within herselfâ and a yearning for her golden-haired captor that she shouldnât harbor. Torn between securing her freedom or giving herself to her Viking master, will fate decide for herâ and rip them apart forever? This full-length Viking historical romance is part of the Viking Lore Series, but also can be enjoyed as a standalone novel. Pick up your copy today!

Customer Reviews

This is the first book in Emma Prince's acclaimed Viking Lore series which is absolutely fantastic! If you are fan of Vikings and its history or even the history or even the history channel television series Vikings then this is a must read. This is a a fictional romance but has a lot of accurate background and history of the Viking culture in history. It's a fast moving, action filled with character that come to life on the pages. 806 A.D., North Sea Eirik son of Arud the Steady and Captain of the Drakkar of Dalgaard, is on mission to find out more about Northumbria and raid and steal holy houses to secure from future for his people village as they had a big loss from a raid five years. That raid included the abuse and rape of his friend Madrena, twin sister of Alaric who is Eirik's best friend. Eirik is the only one who can understand and speak the English tongue and understands some of thir ways from a previous mission. Eirik has been brought up slavery is wrong even though it is allowed many do not beliv in this way of not is honorable. Even though the practice was still accepted Eirik and his village wanted no part of it. This is why when his jealous brutal and evil cousin Grimar steal an orphan girl from the Abbey, Eirik is furious. Grimar the Raven is only on this voyage because he is Eirik's cousin and son of Jarl Gunvald. Grimar is a trouble and create problem's when not necessary. He defies Eirik's orders at every turn, readers can feel he is a villain at the very beginning as he want to be the next Jarl even though it should go to Eirk who would rather travel and explore. As it has been Eirik's father as the previous Jarl who died in a raid under mysterious circumstances , but Eirk's Uncle convince's him he was too young to become Jarl. When Grimar is mistreating his enthrall and when he discards her Eirik claims her as his own, just for her own protection feeling every bit a hypocrite! Since he and his people know his view on slavery and believes every person should be a free man or woman and there is a sense of pride and honor taking care of your own land and property. The young woman and orphan Laurel has had a very cruel life, her unwed parents left abandoned her on the steps of the Abbey as an infant and she has been paying for their sins ever since. One of the holy men try to rape her and when she defends herself and reports him, yet no one believes her as he denies it. The nuns and the cruel Abbess then give her cruelest of punishments. They have treated her as a slave since the day she was born making her do an unreasonable amounts of chores like a prisoner with the most torturous of punishments! Now she is abducted by these pagan barbarians and abused by the monster that originally took her. Laurel has looked to Eirik as a sort of protector, but you can feel the chemistry between these two right away, but there are evil forces mat work that want to tear them apart. Will Laurel be forced to a life of servitude with more forced labor and abuse? Will Laurel finally find happiness in this foreign land with the man she has started to care for or will she feel the pinch of betrayal by the one she trusted

most? Will Eirik pick a low life enthall over his status, position and people? Or will he discard her like everyone else has since the day she was born? Must read this wonderful heartmelting story that is absolutely exceptional! Fabulous riveting story full of conflict, betrayal, adventure and love and layered with Viking history weaved in a wonderful fictional historical romance! Non stop action readers will absolutely love! This is the first book in Emma Prince's acclaimed Viking Lore series which is absolutely fantastic! I love it. Emma Prince is an amazing writer! You truly feel for Laurel and her struggles from before she was taken and throughout her journey. Just like Emma Prince's highlander series you can feel the tension and panic as well as the struggle that she places her characters in. Yes this is a romance but it's an adventure as well! I can't wait till the next book!

I really enjoyed reading it keep me entertained from the beginning to the ending great work. Before I read this book I read the bad reviews and I think every body is entitled to their own opinions but I personally enjoyed romance and to Learn a little about the way people leave back them. Goo work I enjoy it.

I like Emma

All I can say, great job Emma, great start for a new series. Shock of all the history in Viking lifestyle. Thanks Emma for a great begging.

Loved it

This was an enjoyable Viking romance with compelling characters and an enjoyable story line. I found it a little on the short side, but there was still enough plot to sink your teeth into.

This is the first Viking romance I've read in a long time and I thoroughly enjoyed it. Eirik and Laurel were a good match. He was patient and kind while she was understanding and willing to grasp her new life with both hands. Fun read!
