Ernie Lakusta's interests have always been science and the mountains. Majoring in the biological sciences, Ernie graduated with a B. Ed. degree in 1966 and a M. Sc. degree in 1970. His research was based in Kananaskis Country and it was during this period that he became an avid hiker, amateur photographer and self-taught naturalist. To this day, the mountains are his passion and he avails himself of every opportunity to travel off the beaten track with his Krummholz Krew hiking buddies. In *Canmore & Kananaskis History Explorer*, he shares the myths, legends and the fascinating history of the region. Ernie lives in Calgary
