Skeletons Of The Civil War: True Ghost Stories Of The Civil War

Synopsis

Ghostly legends abound wherever history has made its mark. *Skeletons of the Civil War* follows the ghosts of the Army of Tennessee from the bloody Battle of Shiloh to its decimation on the killing fields of Franklin. Combining the craft of a story-teller (Glass), with the expert knowledge of a military historian (Mathews), the stories in this book are packed with archival photographs and intriguing first-hand accounts. Read fresh, spine-tingling accounts of a headless horseman who gallops through the eerie cedar glades at Stones River, the tale of the regiment which earned the nickname The Bloody Ninth at Shiloh, the phantom regiment at Resaca, the spirit of Tennessee's dashing Boy General, who followed a woman home, the mysterious empty graves near the Hazen monument, weirdness at The Dead Angle, true accounts of spirits who haunt the cavernous rooms of Tennessee's grand plantation houses, the tragic tale of Captain Tod Carter who was shot down within sight of his home, and many more.

Customer Reviews

Debra Glass holds an MAed with emphasis in history from the University of North Alabama. The author of over thirty-five books of folklore and romance, she has also penned several articles for Fate Magazine as well as historical articles for various Civil War Magazines. She conducts the Haunted History of the Shoals Ghost Walk Tours. Heath Mathews is a military historian and has worked and volunteered at several historical sites, including: The Carter House, (Franklin, Tennessee), Carnton Plantation, (Franklin, Tennessee), Chickamauga Chattanooga National

Military Park, and Rippavilla Plantation, (Springhill, Tennessee). He has also served as a research historian for Wide Awake Films. He has appeared as a historian, on the History Channel's Civil War Combat Series Franklin.

The locations and details of the battles made the stories very easy to follow and held my interest. Sometimes we forget the gory parts of what war is really about but this book details the anguish and agony of pain, death and even after death cries. Its not a pretty thought but war is not pretty!! especially liked the authors listing the historical locations with the hours of operation.

How could there have been so much carnage and spirits not remain? Good telling of the path those men trod to their doom and glory.

Great read!

I liked the book as I am both interested in the Civil War and ghost stories. I would recommend the book.

Because I love history and good victorian ghosts stories ! So for me the book is great ! Thank you

I figure most ghost stories are the products of over-imagination and wishful thinking, but I love reading them anyway. These are fair, and not hard to read.

I have not completely finished reading this book however I'm almost finished it! What I have read has been so interesting and I would Highly Recommed this book to Anyone that believes in this subject and even to anyone that do not believe in Ghost, etc.!

This is a must read for anyone interested in history as well as the paranormal. It is well researched and well written.
