Customer Reviews

Patricia A. Deuster, PhD, MPH is an associate professor and director of the Human Performance Laboratory in the Department of Military and Emergency Medicine in the Uniformed Services University of the Health Sciences, School of Medicine in Bethesda, Maryland. She has conducted more than fifteen years of research in the area of sports nutrition and exercise physiology and has published numerous papers on the U.S. Navy SEALs. Don Mann's™ impressive military biography includes being a decorated combat veteran; corpsman; SEAL special operations technician; jungle survival, desert survival, and arctic survival instructor; and Survival, Evade, Resistance, and Escape instructor; in addition to other credentials.

Not sure how Navy SEAL official this manual is. The stock photos are almost comical--looks like one with a WW II Army Jeep in it. That having been said, some great fitness routines, complete weight programs, calisthenics, etc. This has really helped me amp up my workouts. I recommend. Five stars for the content.

Outstanding!

5 stars
