Customer Reviews

Omg!!! This book is so good. I Love it soooooo much!!!! I really like Shania! Quick question. Why is Shania the only girl mentioned and talked about in the whole book???? Anyway, I will keep up with these books!!

Just when you thought that what more noob can do, he gets into a trouble even more enticing than the last one. This time, he has assassins after him, trying to kill him. An ordinary day story turned in an extraordinary turn of events, this will keep you hooked up till the last. Kudos for the kindle edition,

If you are a Nooby Lee fan like I am, then be prepared to be totally delighted. Here, Noob and his pet Paulie have to stay alive in the Assassin game. The twists and turns in the book make it just perfect for an entertaining read.

This is yet another creative story whereby the character gets into enormous amount of trouble than you can believe. I can recommend this for everyone.

This book is so entertaining and awesome. Wimpy noob books have now become my favorite, it's a great read, you must check it out.
