Appalachian Winter

Synopsis

(Harold Flammer Christmas). From the composer of Festival of Carols and The Winter Rose comes a cantata that celebrates the legacy of early American carols and hymnody. Composed in the spirit of folk music, the cantata combines traditional sounds with more rustic elements creating a blend that is fresh and pleasing. Popular American carols like Away In a Manger and O Little Town of Bethlehem dance with traditional spirituals such as Children, Go Where I Send Thee and Go, Tell It on the Mountain. Sacred Harp tunes are re-tooled for Advent and stand alongside new versions of Shaker hymns and Appalachian melodies. Thoughtful narration weaves the movements together in a meaningful tapestry of song and Scripture. Two orchestral options are available allowing maximum flexibility in performance. A full line of support products is also available. Customer Reviews

I was invited to perform this with a local church; enjoyed it very much. The arrangements are excellent, incorporating many traditional American carols and spiritual songs. The full work includes chamber orchestra accompaniment and multi-media performance tools; this is only the vocal/piano score. I bought it hoping I might be able to use it with chamber ensembles; the book is small, however, with small print and a normal paste binding. Still, worth the money paid.

While I hope the music will be great once learned, the product that arrived today was dirty and water-stained on the front edge.
