The 365 Stupidest Things Ever Said Page-A-Day Calendar 2018

Synopsis

The perennially bestselling, jaw-droppingly harebrained 365 Stupidest Things Ever Said Page-A-Day Calendar is a hilarious round-up of sports stars, politicians, entertainers, and others saying epically dumb things. Daft political declarations: Putin is a one-horse country: oil and energy. (presidential contender Ben Carson). "Insightful" sports statements: Like most NFL head coaches, that man is passionate about football. (commentator Greg Gumbel). Plus forehead-slappingly obvious headlines (FUTURE IS COMING, ACADEMICS PREDICT), questionable airport signs (Eating Carpet Strictly Prohibited), head-scratching rÃ©sumÃ© mentions (I always staple at exactly a 45-degree angle), and much more buffoonery.

"I get to go to lots of overseas places, like Canada"--Britney Spears, on the best part of being famous. Call them the accidental comedians: actors, athletes, musicians, and politicians who open mouth--and insert foot. Giftable, wacky, and unfailingly entertaining, our bestselling black-and-white Page-A-Day calendar presents a year of bloopers, muddled metaphors, and hilariously hot air. Plus odd newspaper headlines and creepy classifieds: "Beautiful casket. Excellent condition. Used only once." --This text refers to an alternate Calendar edition.

I've been buying this as a Christmas gift for my husband for more than ten years. He puts each day's up on his bulletin board at work, and people stop by--some every day--to read the newest one. They thank him for putting some humor into their days. If I quit buying this daily calendar, my husband wouldn't be the only one objecting.

I really look forward to seeing what the good folks at "stupidest" have come up with to greet me each day. Two things I MUST have every morning in order to start my day... coffee and this calendar. More times than not I read the daily page to my wife. I'm not sure how anyone with a sense of humor could EVER do without this calendar once they've had one!!! I LOVE IT!!!!!!!!!!!! Best money ever spent... ever!!!

I like this calendar because it is very amusing, and they make it easy to contribute items to future calendars. When I see an error written in the paper I simply e-mail them and as a result I have seen my name on a calendar page as a contributor. They only use real published or spoken info, some from foreign menus that are really funny. The frames vary in color but are sturdy. I've never had a problem with them lasting all year.

The stupidity of people never ceases to amaze and entertain, and this calendar is clear evidence of that. If you want at least one good laugh a day, and who doesn't, then you really need to get this product. I buy it every year, generally after the first week or so to take advantage of the discounted price. Really a great product. I would NOT be without it!

I rely on this calendar multiple times a day while sending emails, making appointments, etc., as well as for a good laugh. A strong cup of coffee and this calendar is a great way to start the day! Couldn't live with either!

I don't really care what is on the front of each page, and I don't use this as a calendar. I use it as a notepad to write my to-do lists on. I could buy cheaper notepads, but page-a-day calendars are the perfect size for my lists. I also want my lists to be the same size through the year(s) because I keep the lists after finishing them so that I can go back and find when I did something (like spraying the azaleas or taking things to Goodwill.). It may seem silly to give 5 stars to a calendar that I don't even

use as a calendar, but I REALLY appreciate that the maker did not futz up the backs of the pages with stuff. It is getting harder to find a page-a-day calendar with blank backs.

Standard desk equipment for me. People say the stupidest stuff, regardless of their political, religious, gender, educational, artistic, grammatic, national, or whatever bent. If you're an absolute loyalist to anything, there will be at least one page that will offend you ... unless you're an absolute loyalist to the notion that everybody has their idiot days. Or lifetimes, in some cases. I snorted Dubonnet out of my nose the day I read: COWBOY ACTOR IN CLASSIC WESTERN: "Gimme a shot of red-eye." FRENCH SUBTITLE: "Un Dubunnet, s'il vous plait."

I bought this calendar as a gift for my son, who is in the military and deployed overseas. Many of the quotes in this calendar are from celebrities or politicians and with him being in the military, he can use all the laughs he can get! I've had one of these calendars in past years and some of the quotes are hilariously funny and others just make you shake your head in wonder. Great calendar for someone who loves to make fun of our politicians and celebrities! Turns out they are just as human as the rest of us!
