#### **Customer Reviews**

Any manga or anime fan should have this series in this form. The art enlarged and up close is very satisfying to look at and the full color pages are very well done. The story is fast paced and has tons of action and character growth.

The story in general of this manga is awsome, at the beginning I didn't like the drawings too much, but as I continued to read they seemed perfect for the crudeness of the story.

My daughter loved this sampler and wanted more. This is one of her favorite mangas.

works great

Thanks
