Pocket Tagalog Dictionary: Tagalog-English English-Tagalog (Periplus Pocket Dictionaries)

Synopsis

It's never a good idea to be overly reliant on technology while traveling! Look up words quickly and easily with this great little Tagalog dictionary. Intended for use by tourists, students, and business people traveling to The Philippines Pocket Tagalog Dictionary is an essential tool for communication and a great way to learn Tagalog. It features all the essential Tagalog vocabulary appropriate for beginning to intermediate students. Its handy pocket format and easy-to-read type will make any future trip to The Philippines much easier. In addition to being an excellent English to Tagalog dictionary and Tagalog to English dictionary Pocket Tagalog Dictionary contains important notes on the Tagalog language, Tagalog grammar and Tagalog pronunciation. All Filipino words are written in English and Tagalog so that in the case of difficulties the book can simply be shown to the person the user is trying to communicate with. This dictionary contains: The 3,000 most commonly used words in the Tagalog language. Tagalog to English and English to Tagalog sections. An introduction to and history of the Tagalog language. Information on Tagalog grammar. A guide to pronouncing Tagalog correctly. Other books from this bestselling series you might enjoy are: Pocket Vietnamese Dictionary, Pocket Cambodian Dictionary, Pocket Thai Dictionary, Pocket Indonesian Dictionary, and Pocket Malay Dictionary.

Customer Reviews

Renato Perdon is a native Tagalog speaker now living in Sydney, Australia. He is an accredited translator both from and to Tagalog and also edits the Tagalog language section of the community

newspaper Bayanihan News.

Great buy book or pocket dictionary very detailed. Recommended.

It's okay If you're just planning a short stay as a tourist.

One of many books I will read before my vacation.

Tagalog pocket dictionary for my Filipino relative going to the Philippines. It is a great way for people to learn Tagalog words and for people to look up words. It is easy to read and easy to look up words you are looking for. It goes from English to Tagalog and vice versa. I would recommend this dictionary by Renato Perdon. I hope I can pick up a few words to use in my vocabulary.

I bought this dictionary as a gift, choosing this one because of its "pocket" size feature and being quite cheap. After receiving it, I was very surprised at how simplistic this book is, and is quite big for being "pocket size". I have a different brand of pocket dictionary of another foreign language that is quite small and use very religiously. This Tagalog one pales in comparison to what I used and what I was expecting. There are no pronunciation explanations, as I guess they assume you know how to pronounce the words already. But then again, reading Tagalog is pretty straightforward, as opposed to trying to read, say, Chinese or Russian, where the characters are totally different. But you wouldn't even know where to accent the syllables either...A total for 88 pages with 44 pages devoted to each Tagalog - English, and English - Tagalog. I guess you get what you pay for. And I'm not paying this much for this book. I'm returning this one!

Bought this as a gift for a friend and she loved it. It's small and pocket-sized, which is very great for travel. You're not going to learn Tagalog from this book, but it's great for beginners. I'm not fluent in Tagalog by all means, but it was great to review some things. Great buy!

I wish it had more words.

I many dictionaries guides to Tagalog. BUT this is the one that goes with me on my person always when I am in the Philippines. This also the one the Filipinos stock in their bookstores which should tell you something.
