Diary Of A Minecraft Alex Book 1: Herobrine's Curse (An Unofficial Minecraft Diary Book) (Volume 1)

Synopsis

When a zombie apocalypse is unleashed on the village, Alex just might be in for more than she ever bargained for. Alex is a headstrong young woman who prefers to be left alone, but whether she would like to admit it or not, a chance meetup with a spunky stranger named Steve is about to chip away at her tough exterior. When Steve recounts the story of the wicked Herobrine's curse on the village and implores her to help, stubborn Alex dismisses the tale as nonsense. Little does she know that Herobrine's curse is very real and is about to turn her world upside down in a way she never would have dreamed possible. Will Alex join Steve in a quest to save the village? Is it even possible to save the village from this terrible curse? You will have to read "Herobrine's curse" to find out! Herobrine's Curse is an engaging good read that will have any young Minecraft fan absorbed in the book from beginning to end. He's tall, green, and out to scare! When he isn't out scaring villagers and the occasional miner, he writes about his adventures in his diary. Deep down inside, it bothers him that he's so scary. In his adventures, he gets a chance to show the world that there is more to

him than just being a zombie. Find Out How Steve Became a Zombie @ www.TheMCSteve.com

My 10 and 12 year old children read this book and really enjoyed it. The first thing I was asked when they finished the book was "Are there any more Minecraft Alex books?". "They were awesome though parts of it weren't entirely realistic to Minecraft. It was really cool, I hope there are more!" - 10 yr old daughter "They were awesome. You'd probably really like them if you like the Diary of a Minecraft Zombie books. Probably also if you like the Diary of a Minecraft Steve or Zombie Steve. I can't wait for more!" - 12 yr old son

A story about friendship, well the start of a friendship at least. Alex is a veggie eater and won't eat meat or kill helpless animals so she writes on assorted papers. She finds an igloo where what she finds inside changes her life forever. She starts out with no friends but she meets Steve and things change. I loved this story even more than Diary of a Wimpy Zombie! Nice story! ~Stephanie S.[...]

This is so un predictable , and I love the way it realates to Minecraft like if you were really in the game, not controls like "I fond a pig" to "I just spawend a pig because I felt like it"

Loved reading this.

Oh my gosh I love Minecraft and this book. I love the story of Alex and how she got to know Steve, and it makes a lot more sense how when you start Minecraft that those two are the skins. I finished this book in, like, 2 days I love it so much!

There were some typos, but overall good. This is a good book about adventure and a legend about a apocalypse

This is one of the BEST books I've read so far in my life. It's funny and well written- the whole book in general is just truly amazing. Keep on making more awesome things MC Steve!

I chose this rating because I love Minecraft! like that Alex and Steve were enemy's then became friends My favorite part was when Alex killed a ghast which are SO hard to build
