Customer Reviews

A very thorough and Scriptural study about the nature of God and His Godhead, David K Bernard uses his logical approach as a mathematician and his understanding about law as a lawyer to build a sound Biblical argument showing that the Oneness theology is placed squarely on the authority of the Word of God. This is a must read!!

David Bernard has a way of making subjects lucid to any reader. I highly recommend this book for a clear understanding of the nature of God, and the unique relationship between the humanity and deity of Jesus Christ.

Christian simplicity, biblical profundity. This is a must-read for all people in search for a biblical presentation of true Christian Monotheism ! God IS indeed infinitely complex, but also, nonetheless, He graciously took care that His self-revelation to us would be crystal clear and perfectly meaningful for all those drawing near with child-like faith. This is the Christ of the Bible - The Lord, our God, the One and Only !

Amazing book.

This book was in great condition and was as mentioned by seller. I will never sell this book great knowledge and understanding of the word of truth in this book..

Brother Bernard did a fantastic job on this!

Worth reading

David Bernard is an exceptional scholar when it comes to important Bible truths, truths that have been misunderstood for ages. In this comprehensive study he shows how the doctrine of the Oneness of God is the truth about who God really is. Leaving "tradition" behind he clearly exhibits what the Bible truly says about who the "person" of God is and how He relates to humanity. Not for the casual reader but a must for the serious scholar.
