Forgiveness, The Passionate Journey: Nine Steps Of Forgiving Through Jesus Beatitudes

Synopsis

In the eleven chapters of *Forgiveness, The Passionate Journey*, Flora Slosson Wuellner writes to meet the needs of those who find it difficult to forgive others and themselves in a way that is emotionally healthful and truthful and that is an integral part of Christian spiritual growth. She writes to answer why forgiveness, so central in Jesus' life and teaching, seems much more difficult today. Why are we so often told we should forgive but so seldom shown the steps by which forgiveness is possible? Wuellner explores the Beatitudes to see the deeper meanings of forgiveness. She helps readers recognize new ways of relating to one another within the vision offered by Jesus in the nine Beatitudes. In these blessings readers will discover an open door to new healed ways of relating to God, to others, to themselves, to the communities around them, and to generations behind them.

Customer Reviews

Flora Slosson Wuellner, a retired ordained minister of the United Church of Christ, is well known throughout the United States and Europe for her writings and retreat leadership that focus on the inner healing that God freely offers through Christ. She has been involved in the specialized ministry of spiritual renewal for over 40 years and has written 14 books on inner healing and renewal.

Educated at the University of Michigan and at Chicago Theological Seminary, Wuellner has served pastorates in Wyoming, Idaho, and Illinois. She currently lives in Fair Oaks, California.

started reading a co-workers and wanted my own.

Simple enough for the anyone to use and understand.

This is fantastic book about the path to true forgiveness. It takes you slowly through the journey allowing time for reflection. Dr H

A must-read for all who struggle with forgiving those who have hurt us (which is most, if not all, of us). Most books and sermons urge us to forgive, but don't tell us how. This book outlines how, in very practical ways. Yet it is also a very spiritual book, based on Jesus' Beatitudes (a unique basis for a book on forgiveness--I've never seen this connection anywhere before). Quite readable, the book is full of examples and stories which we can all relate to.

This was the first book I read on forgiveness. I've read others since, but I keep coming back to this one. The author understands aspects of forgiveness from so many perspectives. She is very gentle with the reader's feelings, and never forces anything. She doesn't sugar-coat anything, and she doesn't overlook the "hard" stuff. If you are beating yourself up because you can't forgive someone else or yourself, this is a good book.
