## Customer Reviews

Dr. Charles Stanley is the senior pastor of the 13,000-member First Baptist Church of Atlanta and a popular broadcast speaker for "In Touch," a national TV and radio program. He has written many books, including a four-book devotional series: A Touch of His Freedom, A Touch of His Wisdom, A Touch of His Peace, and A Touch of His Love

"Wisdom is knowing and doing what is right. True wisdom begins with a knowledge of and reverence for God as revealed through his Son Jesus Christ. This is the foundation on which to build a life that can courageously withstand the inevitable storms of criticism, pain, loss, and temptations." A Touch of His Wisdom is a collection of thirty-one transforming principles -- one from each chapter of Proverbs. Each devotion brings the infinite mind of God to bear on the practical affairs of daily living. You will find God's perspective on money, work, marriage, and leadership. Applying his wisdom to each of these areas can change failure into success, chaos into order, stress into peace, and fear into trust. A Touch of His Wisdom will direct your heart into a vital relationship with Jesus Christ, for "the fear of the Lord is the beginning of wisdom, and knowledge of the Holy One is understanding" (Proverbs 9:10). So embark on the adventure of knowing God and

his ways by examining the scriptural treasures of Proverbs. You will be rewarded with discoveries that can change your circumstances into opportunities to gain and apply the wisdom of God. The dividends are priceless.

I bought the book for my friend. She loves it

Wonderful.

A wonderful book by Dr. Stanley, have taught part of it in Bible Study, and plan to finish teaching the rest of it.

A wonderful devotional book for the book of Proverbs, have read through this book at least once a year for 20 years. Decided to get a few extra to give as gifts.

great tool for good living

I enjoy this meditation book of Proverbs and highly recommend it. Easy reading and comfortable book to carry around wherever you go. Also a good gift for any age.

We have used these 2 tapes in the car when we travel, and have found them to be insightful, peaceful and motivating. We love them! We also have a copy of the book, and love the photos from Dr. Stanley in them too.

This book is fantastic to meditate on. I enjoyed reading this book through the first, second, and third time! There are so many lessons to be learned in life and this book gives you ways to interpret happenings in life. It is certainly a tool to gain christian maturity and spiritual growth. I keep it as a reference and enjoy sharing it with my friends as they experience difficulties in their lives.
