Principles And Practice Of Podiatric Medicine

Synopsis

Data Trace Publishing brings you this one-stop reference for current podiatric medical practice. This text will be useful for the practicing physician as well as other health professionals who feel a need to expand their knowledge about foot disorders or who may be interested in another point of view. It will also be a major resource for podiatric medical students and residents who have sought such a publication. Detailed overview of the practice of podiatric medicine and surgery. New chapters and updated materials. Comprehensive in nature - a one source reference to all essential principals of podiatric medical practice. Invaluable resource for students and practicing podiatric physicians. Well illustrated covering both basic science and clinical aspects of podiatric medicine.

Customer Reviews

"This text book of two volumes is very detailed, has ... an integrative style and would be a significant resource of reference to any podiatric practice ... highly recommended." - John Patterson, MSc, MInstChP, DChM" ... Two of our greatest teachers have produced a masterpiece. Bravo!" - Alan Sherman, DPM Founder, Podiatry Online and PRESENT Courseware"... Principles and Practice of Podiatric Medicine, Second Edition, is probably the most comprehensive textbook on podiatric medicine to ever be published." - Lloyd Nesbitt, DPM Former Editor and Publisher, Canadian Podiatry Association Journal

Leonard A. Levy, D.P.M., M.P.H. Associate Dean for Education, Planning and Research; Professor of Family Medicine/Professor of Public Health, Nova Southeastern University College of

Osteopathic Medicine, Fort Lauderdale, Florida Vincent J. Hetherington, D.P.M., M.S. Vice President and Dean of Academic Affairs; Professor, Department of Surgery, Ohio College of Podiatric Medicine, Cleveland, Ohio.

The title of this book does not tell you it is Volume II. There are 58 chapters in both volumes, and this volume starts at chapter 28. I blew a lot of money and now I am trying to find Volume I on but cannot. If anyone can help me, please do.
