Customer Reviews

I've read "Unseen Realm" by Heisenberg and "Noah Primeval" by Godavari. These 3 books by Donovan are very entertaining and insightful in the behind scenes of scripture. Although they are

speculative, God is shown for who he is, a God that desire relationships.

A muse of fiction..... I had to throughout this series remind myself. Mr. Donovan if I wore a hat, it would indeed come off with shouts of bravo! You had me captivated from book one until book three and in tears literally, when our Lord retrieved the keys from death, hell and the grave. I can't wait to read more of your work including the next one in this series.

I read this book in one day. I couldn't put it down. It's that good. It picks up where the last book left off, so I would highly recommend getting the first two books in the series as well. Though it is for entertainment purposes, I recommend it to all. It really touches on the heart of God and his love for humanity.

Love the different angels and their abilities. How God has made them all different as he has made men different. The battles are intense and quite gruesome. Also it shows that Yeshua is the great I Am and listen to Him ROAR!!! Can't wait till next book comes out. Great Read!

Awesome read. Enjoyed it immensely. Couldn't stop reading. Love my Father Abba. Motivates one to learn the Holy KJV bible.

The first two books were outstanding but this one really captures the heart and imagination. The answer is given " how much does God love mankind?"

If you want a series that will just expand your imagination and leave you wanting more get these books and read them slow so you can really enjoy them.

This whole series Is AWESOME!!!! I can't imagine that there isn't divine inspiration in it... What an exciting thrill ride and all very biblically sound. Great job and great book. I can't wait for the next one
