## Customer Reviews

Great book, if it was my mommy is the best then I would certainly read it more to my child. The bi-lingual is really great as it helps me develop my Italian as well as my childs. He is still a bit to young for it, he tries to tear the pages since he is only age one year so the lower quality print may mean I have to purchase it again in years to come. But overall, I like the book and love the concept. Could use more of these.

This book was not printed properly. The first page was the middle of the story and the title page was in the middle of the book.
