behavior in real life." Kathryn Otoshi, author of ONE"Itâ ™s encouraging to see a childrenâ ™s book focused so specifically on the value of kindness, and one that gives so many definitions of what that term can mean. Itâ [™]s also pleasant to experience the kind treatment of animals as part of what it means to be kind. Rana DiOrio was born in Providence, RI and grew up in a colorful Italian-American family. Her curiosity about the world began in kindergarten, while studying Western access to China and, obviously, panda bears. As a political science major/psychology minor in college, and then as a law student, she became fascinated with understanding perspective, and how just about any person, place, thing, or situation can be interpreted in so many valid ways. I believe that I have two ears, two eyes and one mouth intentionally, so I listen and observe more than I talk, she explains. As a result, I think I'm better able to respect and appreciate diversity. Rana's inspiration for writing What Does It Mean To Be Global? was the election of President Barack Obama and explaining its significance, on so many levels, to her children. Rana has written her way through life as a student, a lawyer, an investment banker, a private equity investor, and now as an author and publisher of children's picture books. Her interests include practicing yoga, reading non-fiction, dreaming, effecting positive change, and, of course, being global, green, and present. She lives in Tiburon, California with her three Little Pickles.

this book is a good discussion book for parents and children, or teachers with children, but it's not an entertaining book, it's very "teachy" This was a very good book to use with students in the elementary level. They all seemed to enjoy it.

This is a great book for the kids! My daughter loves it, and it's such a good lesson!

Excellent book for children. The topic of kindness should be introduced to the child at a early age. It's important to teach children the importance of being kind.

Such a wonderful book to help in teaching your little one about the little things we can do in life to be kind to one another. My daughter loves it too
