# Subway Adventure Guide: New York City: To The End Of The Line

## Synopsis

In *Subway Adventure Guide: New York City*, residents and tourists alike gain access to off-the-beaten-path adventures in a compact guidebook format and see the New York City that's not featured on postcards sold all over Manhattan. Each of the roughly three dozen end-of-the-line destinations spread out over New York City's five boroughs included in this easy-to-use guide, from restaurants and bars to landmarks and museums, are highlighted in great detail by authors Kyle Knoke and Amy Plitt—what to order, what to see, and how to get there. For even better exploring, each destination is organized by the more than 30 subway lines that run through the city, including handy maps with street names. From delighting in a little-known ethnic restaurant to admiring a local landmark, each adventure contained in this photo-packed pocket guide reveals a new hidden gem of the city. Van Cortlandt Park. Far Rockaway. Bay Ridge. Flatbush Avenue. *Subway Adventure Guide: New York City* takes you away from the tourist traps and closer to a genuine New York City experience.

## Customer Reviews

Kyle Knoke spent several years with Kimberly-Clark Corporation serving as an account executive on various global brands before launching Allen/James Design, a full-service virtual design and communications agency. He also owned and curated Allen/Thomas Gallery—a contemporary exhibition space featuring regional and internationally emerging artists. He divides his time between New York, London, and Appleton, Wisconsin. Amy Plitt is a writer and editor whose work has appeared in *Bust*, *Condé Nast Traveler*, *Foam*, *Mental Floss*, and *Rolling Stone*, among others.

She covered New York City news and culture for more than five years as a staff editor for Time Out New York. She lives in Brooklyn.

I have friends coming to visit NYC from out of town. I was looking for a less touristy guide for them. This is a really cool concept that I haven't seen before. It takes a lot of the guess work out of the subway and makes it really easy to plan your destinations based on the line. The destinations are definitely more authentic than the tourist traps lots of guide books send you to. Lots of information in this book, I would even recommend it to current NYCers who are looking to explore new parts of the city. I ordered a second copy for the coffee table.

Great concept and great book. I'm a big fan of the NY Subway and exploring the city. This book helps out with ideas and recommendation, while providing history and interesting details around each subway line and major stops.

The book was not exactly what I expected but it wasn't bad. It could use some more on how to get to places. The subway maps were great and the subways in the city were very easy to use and very entertaining and people were always willing to help.

While we have not yet taken the lines to their destination, the information in the book provides suggestions for places to go when we have time.

Used this when my cousin came to visit, reminded me how many places I haven't seen. Very useful!!!!

This Guide will come in very handy :)

Bought it for my son, a transplanted New Yorker who lives in Philadelphia suburbs but still loves the New York subways.

It was perfect! A great read and an excellence resource.
