Customer Reviews

Chris Andrews Publications started out by producing a series of postcards in Oxford and then extended to calendars and books. We then expanded the area that we covered and included the Cotswolds, Stratford upon Avon, Bath, the Thames & Chilterns and the Channel Islands - and have just moved into Northern Ireland. Chris has been photographing for many years - but his real ability is not just as a photographer - it is having the vision to create interesting images that have a 'use'. An attractive picture, relevant, meaningful and immediately useable in a publication. The skills to record landscapes, seascapes, wildlife and cookery have common denominators as well as huge challenges. Keeping in mind the desire to produce natural pictures means Chris is busy behind the camera in all seasons and photographs with a minimum of interference. --This text refers to an out of print or unavailable edition of this title.
