Dear Friend, It was twenty-five years ago when Harrison House agreed to publish Prayers That Avail Much. The original book was a compilation of prayers that I wrote for my marriage and family situations, and included prayers composed by members of a prayer group that I was conducting. The "little yellow book" turned up in unusual places bringing hope, salvation, healing and deliverance to people who were looking for answers. Several books of scriptural prayers have been written over the years. Thousands have learned to go before the Throne of Grace with confidence

and boldness. They learned to offer their petitions to the Father with Thanksgiving, and the testimonies we receive continue to come in. This classic book of Scriptural prayers is designed to enhance your ability to pray effectively for specific needs. Whether you are a seasoned prayer or a novice, never forget the power of prayer. It is the very foundation that enables you to go from faith to faith and glory to glory. Sincerely in His Love, Germaine Copeland --This text refers to the Hardcover edition.

I was given an original version of this book in 1992 and told to pray the prayer for Healing for my husband who had been having seizures for 3 days and were not stopping. Doctors advised that something better change quickly or else! Personally at the time I didn't even know God or how to pray but the giver of this book told me that God would hear my prayer anyway because "His word accomplishes what it is sent to do and does not return to Him void." She said I could trust on her faith if I didn't have enough of my own. I did as I was told and the next morning my husband was coherent and had no more seizures ever again. He was healed. Yes, he takes medicine but I fully believe he was healed. Our lives were forever changed! I was convinced that God was who He said He is and who my friend said He is...I devoted my life to God and accepted Christ as my Saviur and was filled with the Holy Spirit shortly after that time. I have gifted this book from the first version to every new version to this current Anniversary Edition literally 100's of them. I hope and pray that the seeds sown in to the lives of others thru the witness of God answering their prayers brings each recipient closer to God and to receiving their salvation thru Jesus Christ. My family, friends, and I have been blessed beyond measure in giving and receiving this powerful book. It led me to want

more and find Christ for myself and want to serve and please Him. In obedience to Him and the promptings of the Holy Spirit I give this book out as soon as I feel led. I always keep them on hand. Other than the Holy Bible this is the best book of my lifetime because it leads you in to praying the Word of God. I still use it daily!

I already owned this book of prayers for several years! Everytime I've shared it with others, they are encouraged by the Words of Scripture in all the prayers in this book! I shared it recently with a few ladies at a prayer meeting. One of the ladies was so impressed with it that she ordered books for herself and also for the other women at the prayer meeting. At a later date, on a walking trip, I needed to rest while the other ladies continued to walk. One of these women had her prayer book with her in her backpack and offered to let me read it while they continued to walk, as I had left my prayer book in my car. While reading her book, I noticed how the scriptures are now listed in the back of the newer edition of the prayer books. So when I returned home, I ordered a newer version for myself and also one as a gift for someone else. I now carry my older prayer book with me in my purse and keep the newer version at home to study with. I have several prayer books. I love this prayer book the most. It is one great prayer book quoting scripture after scripture!

If all Christ-followers could learn to immerse themselves in scripture based prayer, inserting their name or the names of those for whom they are interceding, the world would be transformed mightily! I downloaded the kindle version of this book to my iPod and it's a blessing to have these prayers in the palm of my hand every day. No doubt this book helps millions commit scriptures to their memory as they stand in spiritual warfare. On the downside, I wish there was an edition that draws from a more modern translation of the Bible that more people can relate to and understand. Additionally, I found a couple of prayers that reflect what I believe is an unscriptural application of God's word to the critical area of wounded marriages that I believe could greatly mislead some.

Love this compilation of three books on prayer! All prayers in book are based on scripture, so that as you pray you are praying the Word of God!!! Book was exactly what it was advertised to be, Excellent condition and was shipped very quickly and well packaged!!! Thanks for a great job!!! The book was a gift and my sister was very excited to receive it!!!!

This was gift for my older sister. It came in large print which I didn't know. That's very helpful since she is 70. Great book of prayers.

This particular book was purchased as a gift for a friend, however, it was because I have had mine for a few years and it has greatly come in handy. There are many times we want to pray but may not know exactly what we want to say. This book is not only a great way to have wonderful prayers at your hand, it is also wonderful due to the fact every prayer is backed by scripture. There are many prayers that cover a great amount of life situations. I recommend this book for anyone and everyone. Enjoy! You will not be disappointed! I accidentally purchased the hard copy, but if you are looking for one to carry around or as a gift, purchase the soft cover.

This is, if you'll pardon the expression, the all-around prayer book! If you can name the situation, there's a prayer straight from scripture in this book. The Bible says that God stands watch over His Word, waiting to perform it. When you pray scripture back to God, He honors His promise and accomplishes the purpose of the prayer. You just can't go wrong praying the Word of God back to the Word! Does this mean instant answers? Not always. But perseverance brings rewards. I love this book. It's on my iPad, so there are no dog-eared pages or losing this copy! The book is divided into sections and, chances are, there is a prayer for any situation you might come up against in life. The title says it all. Scripture says that the fervent prayers of a righteous man avail much. Avail means to accomplish. The prayers in this book work. I highly recommend it. I've been using it for years, both in paperback and now digitally, and I don't regret it at all. Blessings in abundance, beloveds!!!

This book is a great starter book on how to say bible based prayers to get results. God formed the world through His Words and has given us that same power. With His world we are prepared for the everyday spiritual warfare we have within our own beings and against outside influences and principalities.
