## Synopsis

Salad dressings & vinaigrettes are the most versatile recipes you can make. These recipes are not just for salads. Use the recipes for marinades, basting sauces, dips and dipping sauces. ## Customer Reviews

Making my own salad dressings is far less expensive than buying them and in the long run healthier. This is a good idea book as I am not always creative.

Homemade salad dressing. Fairly good resource.

Excellent ebook.

a must have for anyone who loves salads (who doesn't love them anyway), and it's a real gap filler in the book game in my opinion, wonderful ideas with a little mediterranean touch

GOOD INFO.

I don't use it a ton but there are some recipes. I don't buy bottled dressings anymore.

Useful, but not as good as Childs recipes

I bought this, but I can't read it on my Kindle. I need to call & find out why. But I think I would like it.
