Moses: When Harriet Tubman Led Her People To Freedom (Caldecott Honor Book)

Synopsis

This poetic book is a resounding tribute to Tubman's strength, humility, and devotion. With proper reverence, Weatherford and Nelson do justice to the woman who, long ago, earned over and over the name Moses.

Grade Level: Kindergarten - 3

Customer Reviews

Starred Review. Grade 2-5â "Tubman's religious faith drives this handsome, poetic account of her escape to freedom and role in the Underground Railroad. The story begins with Tubman addressing God on a summer night as she is about to be sold south from the Maryland plantation where she and her husband live: I am Your child, Lord; yet Master owns me,/drives me like a mule. In resounding bold text, God tells her He means for her to be free. The story is sketched between passages of prayerful dialogue that keep Tubman from giving up and eventually call upon her to be the Moses of [her] people. Deep scenes of night fill many double pages as the dramatic paintings follow her tortuous journey, arrival in Philadelphia, and later trip to guide others. Shifting perspectives and subtle details, such as shadowy forest animals guarding her while she sleeps, underscore the narrative's spirituality. Whether filled with apprehension, determination, or serenity,

Tubman's beautifully furrowed face is expressive and entrancing. A foreword briefly explains the practice of slavery and an appended note outlines Tubman's life. The words and pictures create a potent sense of the harsh life of slavery, the fearsome escape, and one woman's unwavering belief in God.â "Margaret Bush, Simmons College, Boston Copyright Â© Reed Business Information, a division of Reed Elsevier Inc. Weatherford's handsome picture book about Harriet Tubman focuses mostly on Tubman's religious inspiration, with echoes of spirituals ringing throughout the spare poetry about her struggle ("Lord, don't let nobody turn me 'round"). God cradles Tubman and talks with her; his words (printed in block capitals) both inspire her and tell her what to do ("SHED YOUR SHOES; WADE IN THE WATER TO TRICK THE DOGS"). Nelson's stirring, beautiful artwork makes clear the terror and exhaustion Tubman felt during her own escape and also during her brave rescue of others. There's no romanticism: the pictures are dark, dramatic, and deeply colored--whether showing the desperate young fugitive "crouched for days in a potato hole" or the tough middle-aged leader frowning at the band of runaways she's trying to help. The full-page portrait of a contemplative Tubman turning to God to help her guide her people is especially striking. Hazel Rochman Copyright Â© American Library Association. All rights reserved

I bought this to give to an adult English as a Second Language student. She absolutely adores it. We've read it twice. It made her cry because she sympathizes with Harriet so much. And my student is very religious, so she loves Harriet talking with God. It also encouraged her in her own writing. The illustrations are beautiful and tell the story even without the words - good for teaching extensive reading. I can't say how the book would go over with kids, but this teacher and her low intermediate student give it four enthusiastic thumbs up.

Great book and easy for children to read and understand.

Thanks

This is so beautiful and lyrically written.. Buy this book to honor a true heroine of slavery. My 4 year olds loved it and i loved reading it. This is our 10th slavery book and my favorite along with "Henry's Freedom Box". If your wondering how to talk to your kids about slavery times, this is a good start.

Love this book!

This book is very touching and inspirational. I enjoy reading it to my 5-yr old.

Used this book for a 4th grade music performance. Wonderful book for students to be led into learning more about Harriet Tubman.

Great read and would be a good addition to the classroom.
