Petrus Romanus: The Final Pope Is Here

Synopsis

For more than 800 years scholars have pointed to the dark augury having to do with "the last Pope." The prophecy, taken from St. Malachy's "Prophecy of the Popes," is among a list of verses predicting each of the Roman Catholic popes from Pope Celestine II to the final pope, "Peter the Roman," whose reign would end in the destruction of Rome. First published in 1595, the prophecies were attributed to St. Malachy by a Benedictine historian named Arnold de Wyon, who recorded them in his book, *Lignum Vitæ*. Tradition holds that Malachy had been called to Rome by Pope Innocent II, and while there, he experienced the vision of the future popes, including the last one, which he wrote down in a series of cryptic phrases. According to the prophecy, the next pope (following Benedict XVI) is to be the final pontiff, Petrus Romanus or Peter the Roman. The idea by some Catholics that the next pope on St. Malachy's list heralds the beginning of "great apostasy" followed by "great tribulation" sets the stage for the imminent unfolding of apocalyptic events, something many non-Catholics would agree with. This would give rise to a false prophet, who according to the book of Revelation leads the world's religious communities into embracing a political leader known as Antichrist. In recent history, several Catholic priests--some deceased now--have been surprisingly outspoken on what they have seen as this inevitable danger rising from within the ranks of Catholicism as a result of secret satanic "Illuminati-Masonic" influences. These priests claim secret knowledge of an multinational power elite and occult hierarchy operating behind supranatural and global political machinations. Among this secret society are sinister false Catholic infiltrators who understand that, as the Roman Catholic Church represents one-sixth of the world's population and over half of all Christians, it is indispensable for controlling future global elements in matters of church and state and the fulfillment of a diabolical plan they call "Alta Vendita," which is set to assume control of the papacy and to help the False Prophet deceive the world's faithful (including Catholics) into worshipping Antichrist. As stated by Dr. Michael Lake on the front cover, Catholic and evangelical scholars have dreaded this moment for centuries. Unfortunately, as readers will learn, time for avoiding Peter the Roman just ran out.

" The Enthronement of the Fallen Archangel Lucifer was effected within the Roman Catholic Citadel on June 29, 1963; a fitting date for the historic promise about to be fulfilled. As the principal agents

of this Ceremonial well knew, Satanist tradition had long predicted that the Time of the Prince would be ushered in at the moment when a Pope would take the name of the Apostle Paul [Pope Paul VI]. That requirement--the signal that the Availing Time had begun--had been accomplished just eight days before with the election of the latest Peter-in-the-Line." -Jesuit Priest, Father Malachi Martin

was a bit hard for me to follow and keep up with, had to slow things down and re-read to truly understand what was being described. Have not finished the book as at time my head starting

spinning. Overall I think someone with a higher intellectual capacity would enjoy this, a bit hard to chew on for a simple man like my myself.

Bits of information that have managed to trickle through time and space. These authors have collected, organized, collated these bits and pieces and crafted a novel for each reader to make their own determination on.

I appreciate the well documented study but it becomes a little tedious after some time. Makes for difficult reading, unless you are an academic. The language is also very technical, though I understand that the writers want to prove their view. All in all a good theological understudy for understanding last day events and the unfolding thereof.

I might have been inclined to rate the book higher. However, the publisher has numerous kindle formatting issues which I find amateurish. I also had issue with the exceeding level of cross referencing to author and publisher's previous work, APOLLYON RISING 2012.

Excellent book of Historic value that exposes the Popes and the Roman Catholic Church from its beginning in the 1st Century when it forced all people to be conformed to Roman Catholic Dogma or die at the hands of the Popes...They murdered Millions of Christians throughout the Centuries that would not bow to their Doctrines and made up stories to make up Roman Catholic Dogma. leading to the deaths of Martin Luther and and many others who were translating the Word of God from Latin into Common Language so the people would be able to read the Truth for themselves and not just believe what the Popes were telling them. The history goes from the 1st Century up until the last Pope where they say it is Prophecied that the Last Pope Petrus Romanus will die and Rome will be destroyed. The Whore sitting on the beast, who sits on the 7 hills of Rome.

Always wondered about world events and the Vatican and how it would all play out. If you are not aware you need to pick up a copy and see for yourself the timely events playing out in our world today.

I liked that it had solid research on Malachy's prophecy and good analysis and correlation to contemporary events. I liked even more that I purchased the book just before pope abdicated/resigned (now we have pope Francis)... so it gave a bit of excitement as the story

seemed to unfold... What's not so good about the book is that in essence is just one idea/concept that gets proved quickly and then it gets into repetition, lots of repetition. I expected a bit more work and analysis on what happens after, what are the conclusions and consequences, what can we do about it, etc. - more into the "so what, then what".

Full of arcane and wildly diverse information on things like the layout of Washington DC, the history of Roman Catholicism, Freemasonry and Biblical prophecy - all of which point to the choice of the next pope being extremely significant and possibly indicating the soon coming of the man the Bible calls the Antichrist. A bit long-winded but fascinating stuff!
