## Customer Reviews

The book has pretty art and is fun to read. Ken is a complete airhead. He accepts everything his friend says from his love confession to sex. That is if they ever make it that far. (The reason I took off a star is the mission is never completed. Funny but...) Taka is stuck in his fantasies. He is perfectly serious in everything, but with Ken, he slips into la la land. It's kind of an interesting quirk. You could say he's an airhead too. Their funny quirks make the story. That they have known each other for so long, makes it believable. Oddly, they are having communication problems but that maybe because it's their first relationship. An odd couple that is oddly right for each other.

I loved it!!!!1. It's completely consensual.2. It is realistic, in how two long time friends might go about forming a relationship.3. The art is great.4. It's really funny.5. It's really sweet.6. It's really hot!!!!Amazing! Read it, it will brighten your day.

This is a perfect read if ur looking for stories about idiot couple and school boys story. Not much smut but there are some sexy scenes. And the story and the characters are very funny.

So cute and seriously funny the same is so worried about being cool and meticulous that everything goes awry from the start I was laughing to the end with his fantasies. Good read

Frankly, this deserves a proper review. As far as I'm concerned, this is absolutely one of THE funniest yaoi/shounen-ai manga out there. It says 16+, but this really ought to be 18+ given that there's plenty of sex and nudity. But it's all very comedic. It's playing with the VERY common yaoi trope of "Childhood best friends who turn into lovers". We've seen that scenario countless times by any number of different artists, but Rize Shinba's take is particular funny, clever, well-paced, and even very well drawn (as it should be given the mangaka in question). I already basically explained the premise, but the twist is this: Ken and Taka have been best friends forever, with the adorable and cute Ken (uke) perceiving Taka as just incredibly cool and untouchable, when the truth is that Taka is a bit of a dweeb with a totally obvious crush on Ken, and Ken is too naive to pick up on it. So incredibly awkward hilarity ensues, and even though both boys are virgins, Taka tries to maintain a false air of sexual expertise to try and impress Ken, and fails pretty miserably. The whole thing is very funny. The pacing and timing of the plot, the comedic interludes, randomly seeing Taka's sexual fantasies as he spaces out staring at Ken... It's all pretty original and hilarious and just really fun. Another thing -- there is ABOLUTELY NO HINT OF DUB-CON OR NON-CON YAYYYY! I always feel happy when I discover a cute Japanese manga like this and everything is TOTALLY consensual. Occasionally we see some of Taka's illustrated over-the-top fantasies could be \*sliiiiightly\* like that but it's fantasy played for laughs from an awkward teenage Japanese boy so it's probably accurate regardless. Anyway, like I said, this thing's a total gem. Pick it up while it's still cheap, I doubt it'll ever see a reprint.
